The New York Times, USA Today, Publishers Weekly, and Wall Street Journal Bestseller For those who witnessed the global collapse of socialism, its resurrection in the twenty-first century comes as a surprise, even a shock. How can socialism work now when it has never worked before? In this pathbreaking book, bestselling author Dinesh D'Souza argues that the socialism advanced today by the likes of Alexandria Ocasio-Cortez, Bernie Sanders, Ilhan Omar and Elizabeth Warren is very different from the socialism of Lenin, Mao and Castro. It is "identity socialism," a marriage between classic socialism and identity politics. Today's socialists claim to model themselves not on Mao's Great Leap Forward or even Venezuelan socialism but rather on the "socialism that works" in Scandinavian countries like Norway and Sweden. This is the new face of socialism that D'Souza confronts and decisively refutes with his trademark incisiveness, wit and originality. He shows how socialism abandoned the working class and found new recruits by drawing on the resentments of race, gender and sexual orientation. He reveals how it uses the Venezuelan, not the Scandinavian, formula. D'Souza chillingly documents the full range of lawless, gangster, and authoritarian tendencies that they have adopted. United States of Socialism is an informative, provocative and thrilling exposé not merely of the ideas but also the tactics of the socialist Left. In making the moral case for entrepreneurs and the free market, the author portrays President Trump as the exemplar of capitalism and also the most effective political leader of the battle against socialism. He shows how we can help Trump defeat the socialist menace. From Pulitzer Prize winner and bestselling author Rick Atkinson (Liberation Trilogy) comes an eyewitness account of the war against Iraq and a vivid portrait of a remarkable group of soldiers. "A beautifully written and memorable account of combat from the top down and bottom up as the 101st Airborne commanders and front-line grunts battle their way to Baghdad.... A must-read."—Tom Brokaw For soldiers in the 101st Airborne Division, the road to Baghdad began with a midnight flight out of Fort Campbell, Kentucky, in late February 2003. For Rick Atkinson, who would spend nearly two months covering the division for The Washington Post, the war in Iraq provided a unique opportunity to observe today's U.S. Army in combat. Now, in this extraordinary account of his odyssey with the 101st, Atkinson presents an intimate and revealing portrait of the soldiers who fight the expeditionary wars that have become the hallmark of our age. At the center of Atkinson's drama stands the compelling figure of Major General David H. Petraeus, described by one comrade as "the most competitive man on the planet." Atkinson spent virtually all day every day at Petraeus's elbow in Iraq, where he had an unobstructed view of the stresses, anxieties, and large joys of commanding 17,000

soldiers in combat. Atkinson watches Petraeus wrestle with innumerable tactical conundrums and direct several intense firefights; he watches him teach, goad, and lead his troops and his subordinate commanders. And all around Petraeus, we see the men and women of a storied division grapple with the challenges of waging war in an unspeakably harsh environment. With the eye of a master storyteller, the premier military historian of his generation puts us right on the battlefield. In the Company of Soldiers is a compelling, utterly fresh view of the modern American soldier in action. Already a classic of war reporting and now reissued as a Grove Press paperback, *Black Hawk Down* is Mark Bowden's brilliant account of the longest sustained firefight involving American troops since the Vietnam War. On October 3, 1993, about a hundred elite U.S. soldiers were dropped by helicopter into the teeming market in the heart of Mogadishu, Somalia. Their mission was to abduct two top lieutenants of a Somali warlord and return to base. It was supposed to take an hour. Instead, they found themselves pinned down through a long and terrible night fighting against thousands of heavily armed Somalis. The following morning, eighteen Americans were dead and more than seventy had been badly wounded. Drawing on interviews from both sides, army records, audiotapes, and videos (some of the material is still classified), Bowden's minute-by-minute narrative is one of the most exciting accounts of modern combat ever written—a riveting story that captures the heroism, courage, and brutality of battle. Includes 256 richly illustrated, fact filled pages that include the latest and avant-garde watches of the day.
