Magician's Gambit Nov 23 2020 Princess Ce'Nedra joins the young farm boy, Garion, in the struggle to find the magical Orb and defeat the power of an evil sorcerer

Master of Sorrows Mar 16 2020 You've heard the story before: an orphaned boy, raised by a wise old man, comes to a fuller knowledge of his magic and uses it to fight the great evil threatening his world. But what if that hero were destined to become the new dark lord? The Academy of Chaenbalu has stood against magic for centuries. Hidden from the world, acting from the shadows, it trains its students to detect and retrieve magic artifacts, which it jealously guards from the misuse of others. Because magic is dangerous: something that heals can also harm, and a power that aids one person may destroy another. Of the academy's many students, only the most skilled can become avatars—warrior thieves, capable of infiltrating the most heavily guarded vaults—and only the most determined can be trusted to resist the lure of magic. More than anything, Annev de Breth wants to become one of them. But Annev carries a secret. Unlike his classmates who were stolen as infants from the capital city, Annev was born in the village of Chaenbalu, was believed to be executed, and then unknowingly raised by his parents' killers. Seventeen years later, he struggles with the burdens of a forbidden magic, a forgotten heritage, and a secret deformity. When Annev is subsequently caught between the warring ideologies of his priestly mentor and the Academy's masters, he must finally decide whether to accept the truth of who he really is ... or embrace the darker truth of what he may one day become.

The Redemption of Althalus Feb 13 2020 David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the Belgariad and Malloreon sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book* from the House at the End of the World, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of *The Book*, the ancient God has been using the dark magic of his own *Book* to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* "Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike."—Library Journal "The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming."—Booklist "An engaging young reprobate hero . . . [A] magical realm of good-natured fun."—Publishers Weekly "A compelling, involving story."—Science Fiction Chronicle

Guardians of the West Oct 11 2019 Eleven years after being crowned King of Riva, Garion again finds himself a pawn caught between two ancient prophecies with the fate of the world resting upon him.

Demon Lord of Karanda Jun 11 2022 Here David Eddings continues his bestselling *The Malloreon*, taking the quest across a strange continent and among stranger peoples struggling over the religion of a dead God. A story of ancient, opposing Destinies, battling for control of all men. Zandramas had stolen King Garion's infant son and fled to use the child in some ritual that would make the Dark Destiny supreme. Garion and his friends had followed, but now they were captives of Zakath, Emperor of Malloreon, who, while friendly, stubbornly refused to let them leave. Meanwhile, a horde of demons was ravaging the cities through which they must travel. Zandramas was escaping further toward her goal. And the Seeress of Kell revealed that they must be at the ancient palace of Ashaba within a matter of days or Zandramas would win by default. Then a horrible, fatal plague struck the city of Mal Zeth, closing it against all traffic in or out.

[The Treasured One](#) May 18 2020 Flush from their narrow victory over the horrific Vlagh, Longbow and his companions are drawn to a pastoral territory in south Dhrall, confident that they will thwart the next assault by their inhuman foe. But on the border of the Wasteland, the Vlagh is breeding a monstrous new army of venomous bat-bugs and armored spiders. These grotesque legions threaten to overwhelm the allies, who are further shocked by a prophecy delivered by the Dreamers: an invasion by a new, second army. A force of armed acolytes approaches to plunder this unspoiled land in a global holy war. Now farmers and hunters, soldiers and madmen, mortals and gods—all charge to a battle that will decide the fate of the world.

The Younger Gods Nov 11 2019 In the thrilling conclusion to *The Dreamers*, the Vlagh prepares for one merciless attack that will pit her forces against the might of both the Elder Gods and the Younger Gods. All may be for naught, however, if the allies fail to respond to the fact that one within their ranks is losing her mind.

[The Tamuli](#) Feb 19 2023 For the first time in one magical volume—the three exciting novels of David Eddings's epic heroic fantasy *THE TAMULI* Danger stalks Queen Ehlana's realm. Peasants whisper of the heroes of old who will rise again. Outlaw bands ravage the hill country. Then comes an ambassador from the far-off Tamuli empire, requesting aid: Tamuli is being torn apart by monsters, ancient warriors, and foul magics. Queen Ehlana turns to the great knight Sparhawk, and the two begin the perilous trek to the distant empire of the east, toward a glittering court seething with corruption and treachery. This tale of rousing adventure, glory, and betrayal is fantasy at its best, as told by one of the finest storytellers of our time. "This tale of comradeship, dastardly doings, multiple gods, strange races and noble and ignoble humans is vintage Eddings."

—Publishers Weekly, on *The Shining Ones* "Eddings continues to reward lovers of great, sweeping fantasies with creative ingenuity in characterization, world building, and magical effects." —Booklist, on *The Hidden City*

Belgarath the Sorcerer Oct 03 2021 Bestselling authors David and Leigh Eddings welcome readers back to the time before *The Belgariad* and *The Malloreon* series. Join them as they chronicle that fateful conflict between two mortally opposed Destinies, in a monumental war of men and kings and Gods. When the world was young and Gods still walked among their mortal children, a headstrong orphan boy set out to explore the

world. Thus began the extraordinary adventures that would mold that youthful vagabond into a man, and the man into the finely honed instrument of Prophecy known to all the world as Belgarath the Sorcerer. Then came the dark day when the Dark God Torak split the world asunder, and the God Aldur and his disciples began their monumental labor to set Destiny aright. Foremost among their number was Belgarath. His ceaseless devotion was foredoomed to cost him that which he held most dear—even as his loyal service would extend through echoing centuries of loss, of struggle, and of ultimate triumph.

The Elder Gods Jun 30 2021 While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh—a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination.

The Complete Tamuli Trilogy: Domes of Fire, The Shining Ones, The Hidden City Jul 12 2022 The complete, classic Tamuli Trilogy, the story of Prince Sparhawk, a queen taken captive, and the ultimate battle to save her . . .

Sapphire Rose Sep 14 2022 David Eddings returns to The Elenium, the splendid fantasy series that began with the thrilling novels Diamond Throne and Ruby Knight. Finally the knight Sparhawk had come to possess Bhelliom, legendary jewel of magic that alone could save Queen Ehlana from the deadly poison that had felled her father. Sparhawk and Sephrenia, ageless instructor in Styric magics, made haste to free Ehlana from the crystalline cocoon that had preserved her life while they desperately sought a cure. But Bhellion carried dangers of its own. Once the stone came into his hands, Sparhawk found himself stalked by a dark, lurking menace. Whether the foul Zemoch God Azash was behind this threat, or some other enemy, even Sephrenia could not say—only that the sapphire rose held powers too dangerous for any mortal to bear. Restoring Queen Ehlana would be only the beginning of Sparhawk's mission. With the aid of four stalwart knights, one from each Militant Order, he must thwart Ehlana's prisoner, the Primate Annias, in his plot to assume the throne of the Church. For as Archprelate, Annias would serve his secret master, Azash, and deliver up to the dread God the one thing Azash thirsted for—Bhellion itself!

Domes of Fire Jan 18 2023 The beloved Sparhawk undertakes a perilous new quest in the Tamuli series from New York Times bestselling author David Eddings. Danger stalked Queen Ehlana's realm. It began with peasants whispering that the bloody heroes of old would rise again. Soon outlaw bands were ravaging the hill country, while the Trolls disappeared from their icy northern haunts—and none could say where they had gone. Then came an ambassador from the far-off Tamul empire, begging aid. Monsters, ancient warriors, and foul magics were tearing their empire apart. Sparhawk, Ehlana's champion and Prince Consort, was the Emperor's last hope, for surely the knight who had killed the evil God Azash could prevail against the terror in Tamuli. Thus did Sparhawk and his Queen begin the perilous trek to the far-distant empire of the east. With them journeyed a handful of trusted companions: the stalwart champions of the four Militant Orders, the knight Berit, Mirtai the giantess, Princess Danae, and the young thief Talen. At the journey's end waited a glittering court seething with corruption, treachery—and the greatest danger Sparhawk would ever face!

The Dark Tide Aug 21 2020 Three of the Wee Folk guarding the border of their country become caught up in the deadly battle against the Evil Modru

King of the Murgos Jan 26 2021 Here David Eddings' bestselling The Malloreon continues as the epic quest begins, across new lands and among strange peoples. A magnificent fantasy of men, Kings, sorcerers, and Gods caught up in a death struggle between two ancient, warring Destinies—the culmination of a seven-thousand-year war of Good and Evil. The infant son of Garion and Ce'Ndra had been foully kidnapped. Now they began the great quest to rescue the child, with the immortal Begarath the Sorcerer, his daughter Polgara the Sorceress, and inevitably the little Drasnian, Silk. Guided by the Orb of the God Aldur, their way led through

the foul swamps of Nyissa, then into the lands of the Murgos. And at the end, they must face a horrible danger—to themselves and to all mankind. For the Dark Prophecy had not vanished when Garion slew the evil God Torak. Instead, it had fled to Zandramas, who was now the Child of Dark. Dark and Light still contended for mastery, and Zandramas planned to use the child in some rite and the Sardion Stone to insure that the Dark would triumph. If they could not be at that impossible place when Zandramas arrived, they would lose—forever.

Now a Prince Regent ruled Elenia, the puppet of Annias, ambitious Primate of the Church who planned to seize power over all the land. As Sparhawk and Sephrenia set out to find a cure for Ehlana, Sephrenia revealed that there was only one person in the west who could defeat the evil plots against Ehlana. That person was Sparhawk.
