Bloodwood Academy Aug 23 2020 It all started when I was doing some bare-back riding with my boyfriend, Tommy, atop a rock in Middle-of-Nowhere, Nevada. In walked this wolf like he's my mom on a meth trip, staring at us and growling like he's an over-protective husband. Worse, according to Tommy, I'm growling back. Next thing I know, Tommy is halfway across the desert and I'm at an elite academy for Witches, Shifters, Vampires, and Fae looking like I was plucked out of the local trailer park. Oh wait, I was. Bloodwood Academy for the Supernatural has only one rule: Don't mingle with students outside your race. So, of course, that just so happens to be the first thing I do. How can you say no to a Fae God with golden eyes, a moody Werewolf with pack issues, and a Vampire with magic fingers. My men are not only sending everything into a whirlwind, but now my life is in danger. It turns out that if I don't go back to my single wide, some jealous females are going to rip my throat out. I need to figure out why I'm connected to all of my mates, and why the headmaster has it out for me, before I find myself ten feet under.

*Blazing Academy* Aug 03 2021 When the element of fire burns within your veins, the academy for all things blazing is the best place to learn how to make that flame burn even stronger. Alice Blaze is my name, and I'm your typical adopted sixteen-year-old. My mom disappeared after my birth and my dad was an alcoholic maniac. That left me being raised by my protective grandparents in the single house up the hill that people only come to view on Halloween. Apparently, our house is haunted, but I haven't figured that one out yet. Regardless of my depressing backstory, my life has always been in the line of misery. Since I was little, I always got into trouble, and it always ended up with something combusting into flames. Lighting up the curtains, explosive vials in lab class. Don't get me started with the accidental school fire. Need I say more?The last straw is when I'm accused of shattered all the windows in the entire school, but that doesn't make sense because it has nothing to do with that burning nemesis called fire. With my grandparents having enough of my constant transfers, a letter of invitation lands right onto our doorstep.I'm invited to Blazing Academy, the academy for all things scorching hot. Shifters, demons, and blazing hot witches...oh right. That's apparently what I am. A blazing hot witch. Let's hope that's all I am, and that this first semester goes a lot smoother than I'm imagining.

*Claim the Life* Sep 23 2020 Claim the Life is a six-year, comprehensive spiritual formation plan for youth Sunday school. The annual themes are Journey, Word, and Faith for younger youth; Promise, Story, and Call for older youth. Each year is divided into two 16-week semesters. Each lesson begins with Tending, an intentional ritual that helps youth develop closer relationships through tending to one another and tending to God at work in their lives and the world. The planned Teaching content is focused on one word (or phrase) that is significant to the Christian faith (Commitment, Suffering, Simplicity, Blessing, Peace, Abundant Life, for example). Each lesson concludes with Sending, an intentional ritual that helps youth create SMART goals, ways in which they will practice some element of being a disciple. \* The weekly pattern of Tending, Teaching, and Sending is an intentional plan for spiritual formation, learning, and discipleship. \* Churches, parents, teachers, and youth will have a sense of progression and intentionality in teaching material that is important to the faith. In six years students will encounter 192 words and Scriptures. \* Sunday school classes will be able to complete the annual material and still have weeks they can fill with seasonal, timely (LinC, for example), or local-interest lessons. \* Youth will experience Christian community and participate in practices of the faith. \* Each youth will make the lessons relevant to him- or herself through the practice of developing his or her own SMART goals (Specific, Measurable, Attainable, Revealed, and Time-Limited). \* Teachers will be able to choose a lesson plan that suits them from the two provided. Claim the Life: Journey In this first year of study for younger youth, the words (topics) focus on loving God, making faithful decisions, loving others, dealing with life's difficulties, and developing Christian character--all hallmarks of the Christian journey. Semester 1 and Semester 2 have the same categories, but use different words and Scriptures. Sample words: Worship, Commitment, Temple, Forgiving, Disciple, Love, Generosity, Courage, Simplicity, Light. Claim the Life: Word In this second year of study for younger youth the focus will be on "words for life." Of all the Bible passages, these 32 Scriptures are ones youth should understand and know "by heart." In Semester 1 the words are from the Old Testament and include the Ten Commandments, the Shema, Psalm 23, and other memorable passages. Semester 2 words come from the New Testament and include the Beatitudes, the Lord's Prayer, the Great Commandment, the Fruit of the Spirit, for example. Sample words: God, Sabbath, Choose, Shepherd, Steadfast, Justice, Prayer, Good Shepherd, Believe, Abide. Claim the Life: Faith These two volumes of the third year for younger youth introduce them to the nature of faith, God, in whom we have faith, being saved by faith, living as a community of faith, living faithfully, and faith eternal. These categories are the basis of both semesters, but the words and Scriptures are different from one semester to the next. Sample words: Authority, Doubt, Trinity, Confession, Salvation, Communion, Kingdom, Lord, Second Mile, Eternal Life. Claim the Life: Promise In this first year of study for older youth, the words come from the categories of the nature of promise, God's promises, Jesus' promises, and our promises. Both semesters follow this structure, but the words and Scriptures are different for Semester 1 and Semester 2. Sample words: Belonging, Judgment, Providence, Blessing, Abundant Life, Hope, Community, Incarnation, Vow, Test. Claim the Life: Story The second year of study for older youth will be an encounter with the larger biblical story as told in the Old Testament (Semester 1) and New Testament (Semester 2). Through the telling of the stories that move along The Story, youth will put together bits and pieces of Bible stories they have learned in the past into a coherent and grand story of God's amazing love for humanity. Sample words: Creation, Sin, Grace, Deliverance, Exile, Savior, Remember, Resurrection, Church, New Jerusalem. Claim the Life: Call The third year of study for older youth challenges them to respond by who they are and what they will do with their lives. The categories are the nature of God's call, gifted and called, called to follow, and called to bring change. The categories remain the same for both semesters; the words and Scriptures are different. Sample words: Vocation, Ministry, Spiritual Gifts, Obedient, Freedom, Serve, Countercultural, Prophetic, Righteousness, God's Will.

**Semester Aboard** Jun 13 2022 Jen Maddox is a few days into her summer study abroad program and has loved every moment on her cruise-ship-turned-college-campus. Everyone tells her that the experience will change her life, but none of them realize just how right they really are. One night Jen goes out on deck and encounters five other students. She knows Charlie from one of her classes and he's a funny, friendly, regular guy. Picture-perfect Dani and his gorgeous wife Mariana live right down the hall from Jen, and she has seen TS, who's built like a truck, around the ship, and recognizes the cute, but quiet Thomas as well. Then Jen sees something that isn't humanly possible. Jen would have thought that it was all a dream, if not for the fact that Charlie, Dani, Mariana, TS, and Thomas are making every effort to cover it up. Suddenly, the five of them are everything but normal and Jen is determined to figure out what they're hiding. When she does, her life really does change. Jen expected to spend her summer studying the cultures of Latin America, she never dreamed she'd learn about a magical culture instead. But Jen's childhood fantasy come true is about to turn into a nightmare; there's something on the ship. Something dangerous. Suddenly, everyone on board is threatened by a creature that Jen never even believed existed. Jen and her new friends might be the only people who can stop it! Now Jen has to learn everything she can about her new world before it kills her. And her friends. And maybe everyone on the entire ship.
