**Illustrated Biblical Ministries Through Women Putting On a Gentle and Quiet Spirit** *Growing with Jesus*

Series of 11 lessons designed to help Christian disciples understand the basic Bible teaching about the Holy Spirit, to encounter Him, and to learn to walk with him. Includes discussion questions and a weekly growth assignment. When we teach children about the fruit of the Spirit, we latch onto the idea of fruit--apples, oranges, grapes--as a way to simplify and illustrate the idea. The activities in this book will help children understand the fruit of the Spirit--where it comes from, how they can demonstrate it in their everyday lives, and how Jesus set an example for demonstrating the fruit of the Spirit in His relationships with His Father and with other people. Activities include puzzles, coded messages, mini-books, rhymes, songs, acrostics, crafts, object lessons, and various other creative teaching ideas. Each lesson begins with a Bible story of a person who demonstrated the fruit of the Spirit in his or her life. The stories are presented in a variety of creative ways to capture children's attention and hold it. The story is followed by a memory

verse and a bulletin board idea. Each lesson includes 6-7 pages of Bible activities to involve children in discovering for themselves the importance of each fruit mentioned in Galatians 5:22-23. The lessons are based on the New International Version Bible. An answer key is provided at the back of the book. Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read! Drawing on religions and philosophies from around the world, this simplified version of the late 19th-century American spiritual leader's transformative ideas

about healing, the soul's relationship with God and life's spiritual stages will help readers cultivate their own spiritual power. "God's got a plan for your life" is an aphorism frequently heard by Christians. But how do you discover that plan? The Spirit Said Go is designed to help believers find God's will. Using Paul's journeys in Acts as examples, Wilson discusses twenty lessons on guidance drawn from these journeys. Using his firsthand experience traveling along these routes in the Eastern Mediterranean, he reads between the lines offering additional insights into Luke's account. He also provides important geographical and archaeological information to illustrate Paul's world among the Jews, Greeks, and Romans. Wilson then illustrates each lesson with autobiographical vignettes drawn from his own spiritual pilgrimage of over forty years as a follower of Jesus. Friends and colleagues also share stories of similar experiences of guidance. Each chapter ends with reflection questions that help the reader integrate the lesson into Christian living. The volume offers an inductive Bible study combined with practical, spiritual insights regarding how God guides his people then and now. A new faith-based hardcover storybook series from Mike Berenstain starring the Berenstain Bears! sweet, faith-based story filled with fun, colorful illustrations--it's the perfect read-aloud for any day! From Grammy-winning musical icon and legendary bassist Victor L. Wooten comes an inspiring parable of music, life, and the difference between playing all the right notes...and feeling them. The Music Lesson is the story of a struggling young musician who wanted music to be his life, and who wanted his life to be great. Then, from nowhere it seemed, a teacher arrived. Part musical genius, part philosopher, part eccentric wise man, the teacher would guide the young musician on a spiritual journey, and teach him that the gifts we get from music mirror those from life, and every movement, phrase, and chord has its own meaning...All you have to do is find the song inside. "The best book on music (and its connection to the mystic laws of life) that I've ever read. I learned so much on every level."—Multiple Grammy Award-winning saxophonist Michael Brecker Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our

parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities. A fun family devotional inspiring children to understand the fruit of the Spirit It's common for kids to memorize the fruits of the Spirit: love, joy, peace, goodness, self-control, and all the rest. But that doesn't mean they understand what it means. Is peace just not fighting with your siblings? Does self-control mean resisting a second dessert? When Mom and Dad explain these concepts just in terms of morality, we miss the mark. Christie Thomas is skilled at taking complex ideas and making them accessible to kids . . . and adults

learn a lot along the way too. Each of her devotions is designed to help parents connect their children with the Holy Spirit through a Scripture passage, thought-provoking questions, ways to apply each verse, and a prayer. And for each fruit, parents can use the optional hands-on activities when there's extra time. Perfect for kicking off the New Year as a family, these 100 devotional experiences include illustrated examples of each fruit of the Spirit. They demonstrate the hands, heart, and habits of Jesus and also teach children to spend time with the good God who loves them. By understanding how he covers them with his goodness and how his Spirit helps them grow their own beautiful, Jesus-reflecting character, the whole family will connect to the Vine and grow abundant fruit together. Grammy Award winner Victor Wooten's inspiring parable of the importance of music and the threats that it faces in today's world. We may not realize it as we listen to the soundtrack of our lives through tiny earbuds, but music and all that it encompasses is disappearing all around us. In this fable-like story three musicians from around the world are mysteriously summoned to Nashville, the Music City, to join together with Victor to do battle against the "Phasers," whose blinking "music-cancelling" headphones silence and destroy all musical sound. Only by coming together, connecting, and making the joyful sounds of immediate, "live" music can the world be restored to the power and spirit of music. A VINTAGE ORIGINAL Based on texts mainly drawn from the books of First and Second

Kings, Robert Leslie Homes' finely honed sermons focus on the ministries of the prophets Elijah, Elisha, and Amos. Through the stories of the prophets, Holmes addresses the unchanging theme of the gospel: that God loves the world and gave his Son, the King of kings, to save it. Packed with enlightening illustrations, these nourishing messages will help generate ideas for preaching and enrich the faith of all who read them. I highly commend to you these sermons by Leslie Holmes. They are well crafted and biblical. His quotations and illustrations will be particularly helpful! John A. Huffman Jr. Senior Minister, St. Andrew's Presbyterian Church Newport Beach, California This is a book for preachers, presented as sermons with many texts but a single message -- namely, God's love manifested in Jesus Christ. The author clearly understands that our primary task as preachers is to educate the people of God in the spirit and power of John 3:16 for ministries in a changing world. Our mission is to be faithful to God's mission of love and forgiveness demonstrated by Jesus. That is the challenge that Holmes brings to readers. Carnegie Samuel Calian President, Pittsburgh Theological Seminary Leslie Holmes has prepared a faithful and practical resource for preaching First and Second Kings. Whether or not the lectionary is used, his insight into these passages along with the illustrative material will prove valuable for the pulpit and the pew. John W. Coker Jr. Minister, First Presbyterian Church Fayetteville, North

Carolina A native of Belfast, Northern Ireland, Robert Leslie Holmes is currently Senior Minister at the First Presbyterian Church of Pittsburgh. He earned a B.A. degree from the University of Mobile (Alabama), his M.Div. degree from the Reformed Theological Seminary (Jackson, Mississippi), and a D.Min. degree from Columbia Theological Seminary (Decatur, Georgia), with post-doctoral studies at Princeton Theological Seminary, Fuller Theological Seminary, and New College (Edinburgh, Scotland). Holmes has preached and lectured on six continents and has spoken at conferences and churches throughout the United States and Canada. For many Christians, the Holy Spirit is effectively unknown, part of the Trinity, but largely ignored. For others, the Spirit is something dangerous, a potential disruption in congregational life. Is it possible to have a biblically-based relationship with the Holy Spirit? In this short, 70-page book, Dr. Larry Dixon presents a biblical perspective on the Holy Spirit, using extensive scripture references and developing in a systematic way how one can understand the Holy Spirit and relate to the Spirit. As you study these simple but profound lessons, you will find many ways in which you can approach the subject of the Holy Spirit and ways in which having a relationship with the Spirit will build you up spiritually and drive you deeper into the Word. The Holy Spirit should not be seen to be in conflict with the written Word, but rather to be

a teacher and a constant influence. God the Spirit is also personal, also God, and also worthy of our worship and our attention. This book is suitable to use in a churchwide study or in small groups, with thought questions for each lesson. It is a quick tour, but not a shallow one. Be prepared for the challenge! Developed for use with the student book based on the Uniform Series, this leader resource provides a wealth of information, planning ideas, and lesson guides for each of the 13 lessons in the quarter. This resource includes detailed study of the biblical text, suggestions for developing lessons, teaching options, maps, and charts. It features articles that explore biblical themes related to the passages studied in the lessons. Don't forget to order your student books, which are found in the Related Products Section below. Also available in Print and download formats. Spring themes: GOD: THE HOLY SPIRIT The Spirit Comes John Acts 1 Corinthians 12-14 1, 2, and 3 John Elizabeth George takes readers through a thought-provoking study of Peter's teachings on handling trials and persecutions, including: suffering for doing good; understanding the mysteries of God; and fanning the flame of faith. When wind chimes start singing and clouds race across the sky, one little guy knows just what to do—grab his kite!

But as the kite soars, the wind picks up even more, and soon he and his grandma are chasing the runaway kite into town. As they pass swirling leaves, bobbing boats, and flapping scarves, breezes become gusts and the sky darkens. Rain is on the way! Can they squeeze in one more adventure before the downpour? Scenes rich with springtime details for little eyes to follow and lyrical verse that captures the changeable mood of the weather make this perfect for spring story times. A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. This is a reproduction of a 1900 edition with over 100 illustrations of that period and consists of inspiring and profound lessons from the stories and parables which Jesus told. Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river. In His parable teaching He linked divine truth with common things and incidents, as may be found in the experiences of the shepherd, the builder, the tiller of the soil, the traveler, and the homemaker. Familiar objects were associated with thoughts true and

beautiful—thoughts of God’s loving interest in us, of the grateful homage that is His due, and of the care we should have one for another. Thus lessons of divine wisdom and practical truth were made forcible and impressive. Natural things were the medium for the spiritual. Christ’s parables are links in the chain of truth that unites man with God, and earth with heaven. This vintage book contains Harriet Emilie Cady's 1896 work, "Lessons in Truth". Harriet Emilie Cady (1848-1941) was an American author and homeopathic physician. "Lessons in Truth" is the most widely-read book of the Unity Church movement and is considered one of its core texts. This volume will appeal to those with an interest in the Unity Church and would make for a fantastic addition to collections of allied literature. Contents include: "Lesson One-Bondage or Liberty, Which?", "Lesson Two-Statement of Being", "Lesson Three-Thinking", "Lesson Four-Denials", "Lesson Five-Affirmations", "Lesson Six-Faith", "Lesson Seven-Personality and Individuality", "Lesson Eight-Spiritual Understanding", "Lesson Nine-The Secret Place of the Most High", et cetera. Many vintage books such as this are becoming increasingly rare and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new introduction. Additional information about Adult Bible Studies, Winter 2022-2023 Theme: Power and Love This winter, our Bible lessons follow the theme “Power and Love.” The lessons first challenge us to try to understand Scripture, particularly the Nativity accounts, from the position of vulnerability and powerlessness. They then move to a closer look at what it means to belong to the family of God and culminate in a series of lessons on love and how it informs and changes our relationships. The writer of the student book is Sue Mink. Unit 1 Power and Vulnerability God’s incarnation was into a poor family from a village of no

consequence, vulnerable to the whims and machinations of the mighty Roman Empire. While some people reading this Bible study can relate to the poverty and obscurity, most will read it as citizens of a great world power. Some people know from experience that power can be abused even against a government’s own citizens, but others have known only the protection and benefits of that power. These lessons invite us to read the Nativity stories from the vantage point of the victims of empire. Scriptures: Judges 9:1-15; Matthew 1:1-25; Matthew 2:1-12; Matthew 2:13-15 Spiritual Practice: Acts of Mercy Unit 2 Power and Belonging The lessons in this unit follow the trajectory of biblical imagery for faith development from adoption through baptism and infancy in faith, into youthful excitement and exuberance, and then to a mature faith that struggles, challenges, and questions. Scriptures: Galatians 3:23—4:7; Luke 15:11-32; John 17:1-24 and Ephesians 4:14; Colossians 3:12-17; Matthew 22:1-14 Spiritual Practice: Rule of Life Unit 3 The Power of Love One of the distinct traits of biblical theology is the emphasis on God’s hesed (“lovingkindness”) and Jesus’ selfless love. In the early twentieth century, a great deal of ink was spilled trying to distinguish agápe love by which we become channels of God’s love from philía, friendship in which reciprocity is important, and éros, a passionate sort of love. Recent scholarship finds that Greek and biblical thought blurs the lines of agápe and philía and finds a greater

emphasis on relationships. While we should enact our love without thoughts of personal gain, the ultimate goal of loving our enemies is becoming their friend. Scriptures: 1 John 4:7-21 and Ruth 4; 1 Kings 3:16-28; 1 Samuel 18:1-4, 19:1-7, 20; Matthew 16:21-28 Spiritual Practice: Spiritual Friendship Other Adult Bible Study components, sold separately, include: Teacher/Commentary Kit The Kit includes a Teacher Book and a Concise Commentary that are both supplementary and complementary to the Adult Bible Studies student book The Teacher Book provides small-group leaders, teachers, and facilitators with additional biblical background and exposition and suggestions for guiding group discussion. Included to help leaders prepare and lead each week: As A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics. Additional information, as well as suggestions, designed to help leaders and facilitators lead with confidence. Observation of the church seasons, including Advent and Lent. Suggestions for developing spiritual practices (prayer, confession, worship, mindfulness, solitude, community, hospitality, neighboring, service, and celebration). In 27 brief lessons on the Holy Spirit, James Howell introduces us to the third person of the Trinity, "this personal, elusive, invisible, powerful Spirit." Who is the Holy Spirit? What is the work of the Spirit? How can I connect with the Holy Spirit in my life? What would that look like? These are just a few of the questions believers may struggle with as they attempt to come to a fuller understanding of the Holy Spirit. Drawing on his own experience as well

as the wisdom of other writers, Howell invites readers to know and experience God the Spirit. The title of the book comes from a quotation by Bernard of Clairvaux that it is appropriate to think of the Holy Spirit as a kiss. The author explains that Clairvaux "is imagining God the Father loving his son Jesus so tenderly that God would kiss the son, and the Spirit then would be that kiss." Some of the lessons are: The Spirit in the Trinity, Jesus and the Holy Spirit, The Spirit and Creation, The Spirit in Us, Culture and the Spirit, The Spirit in the Church, Sending the Comforter, The Spirit and Freedom, and The Spirit and the Future. Each lesson begins with a prayer written by the author. A study guide is included to assist small group leaders. Don't miss these other exuberant titles: I Got the Rhythm I Got the Christmas Spirit This book contains messages for the teaching, equipping, and training of new believers for their Christian life and church life. Golf. It's the ultimate head game. And when nothing but the best advice will do, along comes M. Scott Peck, M.D., the celebrated psychiatrist and author of

the best-selling self-help book of all time, The Road Less Traveled. In Golf and the Spirit, M. Scott Peck writes a book for beginners and masters alike--and even for nongolfers. It goes beyond mechanics to explore the deeper issues, ways of successfully managing the emotional, psychological, and spiritual aspects of this most wonderful, maddening, deflating, and inspiring game. Playing side by side with M. Scott Peck on an imaginary course of his own design--complete with illustrations of each hole--you will come to see the profound truths in this seemingly simple game. Appreciate that life is not linear. Come to understand your own anger and how to heal that which gets in your way. Accept the gifts of humility. Appreciate kenosis, the process by which the self empties itself of self. Benefit from teachers. Know that in weakness often there is strength. Realize that to experience the blessings of golf and life fully, you must accept the divinity that underlies all things. Like the best-selling volumes of Harvey Penick and Michael Murphy, Golf and the Spirit makes a unique contribution to the literature of golf and life. It goes beyond the body to address the heart and soul of the game, creating a rare opportunity for transformation in the lives of its readers, both on and off the fairway. It seems to me the human condition is most basically that we are willful creatures living in a world that, much of the time, doesn't behave the way we want it to. We live in the tension between our will and reality. Sometimes with great effort and expertise, we can change reality or bend it

to our will. At other times--also with great effort and expertise--it is we who must change by coming to accept the limitations of the world and of ourselves. How we do this--how we deal with the hazards of life--is quite akin to how we deal with the hazards of a golf course. Sooner or later golfers who stick with the game long enough will almost always come to see it as a metaphor for life. But the word metaphor fails to do justice to all that golf has to teach us. I would go even further and say that, in its own way, golf is life and, not only that, life condensed. If we choose to use it as such, I believe that golf, next to marriage and parenthood, can routinely be the greatest of life's learning opportunities. In this 32-page book, children explore the fruits of the Holy Spirit, how each fruit works, how the fruits work together, and ways children can nurture the fruits. This captivating book includes puzzles, mazes, Bible verses, mini-lessons, crafts, and games. It is perfect for home, Sunday school, Vacation Bible School, and Christian schools. This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification

and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface. Rosemary Altea, the internationally renowned medium and healer known to millions worldwide as "The Voice of the Spirit World," offered proof of life after death in *The Eagle and the Rose*. *Proud Spirit (TM)* takes readers further along the path, exploring opportunities for spiritual growth in everyday life. Rosemary's storytelling skills inspire us as she recounts the time Christ laid his hands atop her own as she gave healing. Her spine-tingling tales of being visited by a group of spirit-world children and invited to a midnight picnic in a haunted house add awe, mystery, and magic to her work. Profound spiritual truths emerge: the need to know, value, and be gentle with ourselves, to be proud spirits who always quest for self-worth and that which lies within. *Adult Bible Studies Summer 2022 Theme: Transform* The lessons this quarter begin with a look at the ministry of the Holy Spirit that brings new life to us as members of the body of Christ. Jesus tells the disciples in John's Gospel that he must leave so that the Comforter or Holy Spirit could come. The Spirit will lead and guide us into all truth and bring gifts and graces to all who will

receive them. This transforming power prepares us for ministry in the world. The Holy Spirit's work in empowering us to be the church and carry out its mission is not limited to time and space. The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others. The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages—violence! How do we as the people of God confront and overcome this menace to the faith? Unit 1: The Fruit of the Spirit Paul used the metaphor of fruit to help us understand that our lives are like the firstfruits of offering. Through participation in Christ's crucifixion through baptism, we have offered our lives to God's service. The Holy Spirit then gives us gifts to display. Scriptures: Acts 2:1-4, 17-21, 33, 38-39; 1 Corinthians 2:10-16; Galatians 5:13-21; Galatians 5:22-26 Spiritual Practice: Silence Unit 2: The Work of the Church These lessons take us through a series of events in the Book of Acts in which the activity of the Holy Spirit drives the action forward. The lessons in Unit 1 identify the gifts granted to us by the Spirit; these lessons look at the path on which the Spirit directs our lives and how the Spirit is already active before we arrive at our destination. Scriptures: Acts 4:23-31; Acts 8:26-39; Acts 11:1-18; Acts 15:1-21; Acts 16:25-34 Spiritual Practice: Service Unit 3: The Pursuit of the People God's word established a

created order that depends on fruitfulness and cultivation rather than violence to maintain it, but humanity through its rivalries brings violence into God's created order. It is clear from Scripture that God's intent is to reestablish shalom, the Hebrew word that means "a shared well-being and abundance." While violence remains a part of the created order, God does not quietly sanction the human use of violence and calls us to imitate God's love and work toward shalom. While not endorsing what they consider to be the excesses of Pentecostalism, the charismatic movement, and the Third Wave, Sawyer and Wallace have embraced what they have tentatively called pneumatic Christianity. They contend that the way much of evangelical cessationism has developed is reactionary and reductionistic. Rather than focus upon

scriptural images of the Holy Spirit as a presence deep within the soul of the believer, many cessationists have reactively denied experience in opposition to the Pentecostal overemphasis upon experience, which at times supplanted the revealed truth of scripture. Over more than twenty years as a mediator, Aaron T. Wolf has learned that successful conflict resolution is shaped by complicated dynamics--from how comfortable the meeting room is to the participants' deepest senses of self. Bridging seemingly intractable issues means addressing multiple layers of needs. Wolf's approach may be surprising to Westerners who are accustomed to separating rationality from spirituality and science from religion. The Spirit of Dialogue draws lessons from a diversity of faith traditions to transform conflict, from identifying the root cause of anger to aligning with an energy beyond oneself--what Christians call grace--to the true listening practiced by Buddhist monks. Whether atheist or fundamentalist, Muslim or Jewish, Quaker or Hindu, any reader involved in difficult dialogue will find concrete steps towards a meeting of souls.
