The Strange Case Of Dr. Jekyll And Mr. Hyde 28 2020 "The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class, evolution, criminality, and secret lives. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

Coming Up for Air Feb 14 2022 An insurance salesman desperately tries to recapture his youth in this "charming" comic novel by the iconic British author (The New York Times). George Bowling is having a crisis. Not a loud, unsightly one but a small, desperate one. His days are occupied by an unfulfilling insurance job, his nights spent worrying about his mortgage, marriage, expanding waistline, and what seems to be a certain prospect of World War II looming on the horizon. So

when George unexpectedly hits it big on a lucky horse, he spends the windfall on the only thing he ever knew to make him happy: his childhood. George travels back to his boyhood home of Lower Binfield, swimming in vivid memories of worry-free bliss, sights, sounds, smells, and emotions of a pre-war world. But while the idyllic village in George's head may not have seen battle, the reality may be more sober than he is prepared to deal with. Penned with Orwell's trademark insight and passion, *Coming Up for Air* is an elegiac look at memory and desire at a desperate moment in England's history.

Jigs & Reels [Nov 30 2020](#) Each of the twenty-two tales in this enchanting collection is a surprise and a delight, melding the poignant and the possible with the outrageous, the magical, and, sometimes, the eerily haunting. Wolf men, dolphin women, defiant old ladies, and middle-aged manufacturers of erotic leatherwear in *Jigs & Reels* the miraculous goes hand in hand with the mundane, the sour with the sweet, and the beautiful, the grotesque, the seductive, and the disturbing are never more than one step away. Whether she's exploring the myth of beauty, the pain of infidelity, or the wonder of late-life romance, Joanne Harris once again proves herself a master of the storyteller's trade.

AQA English Language Paper 1 Practice Paper Oct 10 2021 If you're at this point,
you must be getting ready for your English language exams, so we have a few words
of advice for you: Exams aren't bad. They're your opportunity to show off just how
much you know about English--and you have been studying it since you were five
you definitely know a thing or two! Don't worry about your exams--worry never
changes anything--instead, try and see them as an opportunity to show off what
you know. Practising exam papers is a good way to revise and, because this exam is
relatively new, there aren't that many past papers out there. The papers in this
book have been created to try and replicate the exam experience for you. Some people
might suggest using your literature texts for practice, but the whole point of the
exam is that it is unseen: it's best to work on extracts you've never read before.
There is more than one way to tackle an exam paper. You could sit it in one go and
complete it in exam conditions from start to finish. You could go at the papers
gently, with modelled examples in front of you to help (check out the videos at
[youtube.com/mrbruff](https://www.youtube.com/mrbruff)). Another method is to try three question threes all in a row
slide tackling your way through the paper. You might want to complete all of the
Section B questions before beginning Section A. However you do it, take your time
and use the indicative content at the end to check your work. The indicative con

isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult so, although these are good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam: it is a set of practice papers. For a detailed question-by-question guide to AQA English language, you should pick up a copy of 'Mr Bruff's Guide to GCSE English Language' in paperback on Amazon, or eBook at mrbruff.com. Please note: we are not endorsed by or affiliated to the AQA exam board. We are simply two experienced teachers creating resources.
