In this thrilling addition to the bestselling I SURVIVED series, readers are taken back to antiquity with a young boy trying to escape as the giant Mount Vesuvius erupts. Does he have what it takes to survive the epic destruction of Pompeii?" -- summary from amazon.com. THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument

More than a century later, the Galveston Hurricane of 1900 is still America's deadliest disaster. Lauren Tarshis's story of one child surviving the horrible event churns with page-turning action and bold hope. The city of Galveston, Texas, was booming. Perched on an island off the southern coast of Texas, Galveston had been founded in the 1830s. By 1900, it was Texas's richest and most important city. Boats loaded up with American cotton and wheat steamed from Galveston to countries around the world. Arriving ships were crowded with immigrants. The streets, paved with crushed oyster shells, sparkled like they'd been sprinkled with diamonds. True, this glittering city was prone to flooding. But just a few years before, a weather forecaster had said the idea of a hurricane striking Galveston was absurd. So when a storm started brewing on September 8, 1900, no one believed it would be any worse than previous storms. They gathered on

the beach to cheer on the wild waves. But what started as entertainment soon turned into a nightmare as those wild waves crashed into the city. By morning, hundreds of homes were destroyed. Eight thousand people were dead. The city had all but disappeared. But his inner strength is seriously tested when he finds himself trapped in the blinding snow, the wind like a giant crushing hammer, pounding him over and over again. Will John ever find his way home? Hundreds of American soldiers were already dead. Battlefields in Massachusetts and New York were soaked in the blood of American patriots. And 11-year-old Nathaniel Knox was in the midst of it all, trapped in a swamp and fighting for his life. The air was

thick with smoke and gunpowder. Bleeding soldiers screamed in agony. Through the trees, Nate saw the line of British redcoat soldiers - at least 100 men. Their blood-colored uniforms seemed to glow in the smoky haze. Gunfire blasted all around him. Nate knelt behind a rock, gripping his gun with shaking hands. The American Revolution had started as a glorious struggle for freedom. America was determined to tear itself away from England, out of the grips of King George III. The thirteen American colonies would become a brand new country: The United States of America! But King George was like a snake with America gripped in his fangs - and he didn't want to let go.
