Courts of Appeals in the Federal Judicial System Oct 26 2020 Courts of Appeals were designed to be a unifying force in American law and politics, but they also contribute to decentralization and regionalization of federal law.

Woodford Howard studies three aspects of this problem: first, what binds the highly decentralized federal courts into a judicial system; second, what controls the discretion of judges in making law and policy; and third, how can quality judicial decisions be maintained under heavy-volume pressure. Originally published in 1981. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Model Rules of Professional Conduct Oct 18 2022 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
