So, subsequent to you require the book swiftly, you can straight

get it. Its therefore totally simple and therefore fats, isnt it? You have to favor to in this sky

In **First Among Friends**, the first scholarly biography of George Fox (1624-91), H. Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends, more popularly known today as the Quakers. Ingle places Fox within the upheavals of the English Civil Wars, Revolution, and Restoration, showing him and his band of "rude" disciples challenging the status quo, particularly during the Cromwellian Interregnum. Unlike leaders of similar groups, Fox responded to the conservatism of the Stuart restoration by facing down challenges from internal dissidents, and leading his followers to persevere until the 1689 Act of Toleration. It was this same sense of perseverance that helped the Quakers to survive and remain the only religious sect of the era still existing today. This insightful study uses broad research in contemporary manuscripts and pamphlets, many never examined systematically before. Firmly grounded in primary sources and enriched with gripping detail, this well-written and original study reveals unknown sides of one who was clearly "First Among Friends." Provides insights into the subject of friendship, such as the ten most common things friends disagree over, how and why friends separate, and how

friends between men differ from friendships between women "Northern New Mexico regional Hispanic history and folklore."--Provided by publisher. Kiberd - one of Ireland's leading critics and a central figure in the FIELD DAY group with Brian Friel, Seamus Deane and the actor Stephen Rea - argues that the Irish Literary Revival of the 1890-1922 period embodied a spirit and a revolutionary, generous vision of Irishness that is still relevant to post-colonial Ireland. This is the perspective from which he views Irish culture. His history of Irish writing covers Yeats, Lady Gregory, Synge, O'Casey, Joyce, Beckett, Flann O'Brien, Elizabeth Bowen, Heaney, Friel and younger writers down to Roddy Doyle. From NPR correspondent Keith O' Brien comes this thrilling Young Readers' edition of the untold story about pioneering women, including Amelia Earhart, who fought to compete against men in the high-stakes national air races of the 1920s and 1930s-- and won. In the years between World War I and World War II, airplane racing was one of the most popular sports in America. Thousands of fans flocked to multiday events, and the pilots who competed in these races were hailed as heroes. Well, the male pilots were hailed. Women who flew planes were often ridiculed by the press, and initially they weren't invited to race. Yet a group of women were determined to take to the sky-- no matter what. With guts and grit, they overcame incredible odds both on the ground and in

the air to pursue their dreams of flying and racing planes. *Fly Girls* follows the stories of five remarkable women: Florence Klingensmith, a high school dropout from North Dakota; Ruth Elder, an Alabama housewife; Amelia Earhart, the most famous, but not necessarily the most skilled; Ruth Nichols, a daughter of Wall Street wealth who longed to live a life of her own; and Louise Thaden, who got her start selling coal in Wichita. Together, they fought for the chance to race against the men--and in 1936 one of them would triumph in the toughest race of all. Complete with photographs and a glossary, *Fly Girls* celebrates a little-known slice of history wherein tenacious, trail-blazing women braved all obstacles to achieve greatness. February is time for snuggling . . . July is time for fireworks . . . This beautifully formatted picture book takes young readers through every month of the year as a little boy, girl, dog, and cat celebrate each month with unique, playful images that convey what makes it special. With gentle pastel illustrations in sequential panels, *A Year with Friends* teaches young readers about the seasons and the delightful ways they can be experienced with those you love. Praise for *A Year with Friends*: "This expressive childhood tribute to the joys of nature throughout the year warmly conveys the message that anytime is best when shared with a friend." —Kirkus Reviews "A beautiful, fun, and minimalist journey through the seasons...The format is varied,

with panels, spreads, and full-page pictures, and the art is delightful. Youngsters are sure to take pleasure in following the characters' activities throughout the year." —School Library Journal "In this pleasing concept book, husband-and-wife author-illustrator team Seven and Christy introduce two children enjoying typical activities throughout each month of the year." —Booklist "This beautiful new picture book will be a great way to start the New Year in classrooms with young readers. Illustrated with soft shades and panels across double page spreads, the story line alternates between a young girl and a young boy having fun each month of the year." —Reading Today Online "Rather than mentioning specific holidays by name, the book hints at festive occasions...keeping the emphasis on the generous, sociable, and downright fun things friends do together. Christy's illustrations provide humor, energy, and entertainment with year-round appeal." —Publishers Weekly A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming *Big Friendship* in this honest and hilarious book that chronicles their first decade in

one another's lives. As the hosts of the hit podcast *Call Your Girlfriend*, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define *Big Friendship* as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a *Big Friendship* is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, *Big Friendship* will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them. An adaptation of Dale Carnegie's timeless prescriptions for the digital age. Dale Carnegie's time-tested advice has carried millions upon millions of readers for more than seventy-

five years up the ladder of success in their business and personal lives. Now the first and best book of its kind has been rebooted to tame the complexities of modern times and will teach you how to communicate with diplomacy and tact, capitalize on a solid network, make people like you, project your message widely and clearly, be a more effective leader, increase your ability to get things done, and optimize the power of digital tools. Dale Carnegie's commonsense approach to communicating has endured for a century, touching millions and millions of readers. The only diploma that hangs in Warren Buffett's office is his certificate from Dale Carnegie Training. Lee Iacocca credits Carnegie for giving him the courage to speak in public. Dilbert creator Scott Adams called Carnegie's teachings "life-changing." To demonstrate the lasting relevancy of his tools, Dale Carnegie & Associates, Inc., has reimagined his prescriptions and his advice for our difficult digital age. We may communicate today with different tools and with greater speed, but Carnegie's advice on how to communicate, lead, and work efficiently remains priceless across the ages. "It is not, nor it cannot come to good. But break, my heart, for I must hold my tongue." Thus spoke Hamlet, one of the great kvetchers of literature. Every day, gripers challenge our patience and compassion. Yet Pollyannas rile us up with their grotesque contentment and unfathomable rejection of protest. Avital Ronell considers

how literature and philosophy treat bellyachers, wailers, and grumps--and the complaints they lavish on the rest of us. Combining her trademark jazzy panache with a fearless range of readings, Ronell opens a dialog with readers that discusses thinkers with whom she has directly engaged. Beginning with Hamlet, and with a candid awareness of her own experiences, Ronell proceeds to show how complaining is aggravated, distracted, stifled, and transformed. She moves on to the exemplary complaints of Friedrich Nietzsche, Hannah Arendt, and Barbara Johnson and examines the complaint-riven history of deconstruction. Infused with the author's trademark wit, *Complaint* takes friends, colleagues, and all of us on a courageous philosophical journey. "From my fear of coming out to coming on strong in the struggle for human rights, this is my American journey, the story of an outsider on the inside, a gay man proudly committed to a life of standing up for freedom. "President Clinton and I were born three days apart. We had both dreamed of serving our country. There was one difference: He could pursue his dream, while I felt I could not. The President was born straight and I was born gay." In this stirring personal history, one of America's most influential gay rights advocates recounts his extraordinary career as a policy maker and adviser to the major political leaders of our time, and his own often anguishing,

ultimately triumphant life as a gay man. A longtime personal friend of Bill Clinton, in *Stranger Among Friends* David Mixner offers an insider's look at the power struggles that occur every day in our nation's capital and candid insights on the Clinton administration's successes and failures. Spanning three decades of human rights activism--from the behind-the-scenes negotiations to the painful betrayals to the hard-won victories--his forthright story unflinchingly explores what it means to be an outsider on the inside, and sends a message of hope to all who have ever stood up for what they believe. *Kriminalroman*. An analysis of the influence of urban life on society compares and contrasts personal relationships in large cities with those in small towns. This engaging text offers a fresh alternative to standard introductions to Jesus. Combining literary and sociohistorical approaches and offering a tightly integrated treatment, a team of highly respected scholars examines how Jesus's friends and enemies respond to him in the Gospel narratives. It is the first book to introduce readers to the rich portraits of Jesus in the Gospels by surveying the characters who surround him in those texts--from John the Baptist, the disciples, and the family of Jesus to Satan, Pontius Pilate, and Judas Iscariot (among others). Contributors include Richard J. Bauckham, Warren Carter, and Edith M. Humphrey. Quincy, Talia, Chloe, and Jules met after answering a roommate ad

for an apartment. Despite having little in common, the women became fast friends. A decade later, Quincy, a Midwestern introvert, is trying to overcome a set of tragedies by hunting for the perfect home; Talia, a high-energy California wife and mom, is growing resentful of her friends' greater financial stability; timid Chloe, from New England and also a mother, is trying to deflect pressure from her husband, a hedge fund manager, to play the role of trophy wife; and Jules, a fiercely independent New York City native and entrepreneur, is confronting her forties alone. As the women wrestle with the challenges of love and motherhood, will their relationships survive? Witty and wise, Sally Koslow's *With Friends Like These* hits an emotional bull's-eye for anyone who has had—or even been—a less than perfect pal. This high-five to sisterhood will leave you certain that close friends can never be replaced. Look for special features inside. Join the Circle for author chats and more. **BONUS:** This edition includes an excerpt from Sally Koslow's *The Late, Lamented Molly Marx*. **NEW YORK TIMES BESTSELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK** An insightful, hilarious, and compulsively readable novel about a complicated friendship between two women who are at two very different stages in life, from the bestselling author of *Maine and Saints for All Occasions*. Elisabeth, an accomplished journalist and new mother, is struggling to

adjust to life in a small town after nearly twenty years in New York City. Alone in the house with her infant son all day (and awake with him much of the night), she feels uneasy, adrift. She neglects her work, losing untold hours to her Brooklyn moms' Facebook group, her "influencer" sister's Instagram feed, and text messages with the best friend she never sees anymore. Enter Sam, a senior at the local women's college, whom Elisabeth hires to babysit. Sam is struggling to decide between the path she's always planned on and a romantic entanglement that threatens her ambition. She's worried about student loan debt and what the future holds. In short order, they grow close. But when Sam finds an unlikely kindred spirit in Elisabeth's father-in-law, the true differences between the women's lives become starkly revealed and a betrayal has devastating consequences. A masterful exploration of motherhood, power dynamics, and privilege in its many forms, *Friends and Strangers* reveals how a single year can shape the course of a life. Best friends Jesse Tyler Ferguson, star of *Modern Family*, and recipe developer Julie Tanous pay homage to their hometowns as they whip up modern California food with Southern and Southwestern spins in their debut cookbook. **NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY TIME OUT** *Modern Family* star Jesse Tyler Ferguson and chef Julie Tanous love to cook together. They love it so much that they

founded a blog, and now put all their favorite recipes into a cookbook for you to dig into with the people you love. In *Food Between Friends*, they cook up delightful food, spiced with fun stories pulled right from their platonic marriage. Drawing inspiration from the regional foods of the South and Southwest they grew up with, Jesse and Julie put smart twists on childhood favorites, such as Hatch Green Chile Mac and Cheese, Grilled Chicken with Alabama White BBQ Sauce, and Little Grits Soufflés. So come join Jesse and Julie in the kitchen. This book feels just like cooking with a friend—because that's exactly what it is. Acclaimed New York Times bestselling author Lynne Truss (*Eats, Shoots & Leaves*) is back with a mesmerizing and hilarious tale of cats and murder. For people who both love and hate cats comes the tale of Alec Charlesworth, a librarian who finds himself suddenly alone: he's lost his job, his beloved wife has just died. Overcome by grief, he searches for clues about her disappearance in a file of interviews between a man called "Wiggy" and a cat, Roger. Who speaks to him. It takes a while for Alec to realize he's not gone mad from grief, that the cat is actually speaking to Wiggy . . . and that much of what we fear about cats is true. They do think they're smarter than humans, for one thing. And, well, it seems they are! What's more, they do have nine lives. Or at least this one does – Roger's older than Methuselah, and his unblinking stare comes from the fact that he's seen it

all. And he's got a tale to tell, a tale of shocking local history and dark forces that may link not only the death of Alec's wife, but also several other local deaths. But will the cat help Alec, or is he one of the dark forces? In the deft and comedic hands of mega-bestseller Lynne Truss, the story is as entertaining as it is addictive" (The Sunday Telegraph) - an increasingly suspenseful and often hysterically funny adventure that will please cat lovers and haters alike. And afterwards, as one critic noted, "You may never look at a cat in quite the same way again" (The Daily Mail). Grab your pens, sit down, relax and color in dozens of original, hand-drawn sets inspired by 10 amazing seasons of FRIENDS. You know you could recreate Central Perk by heart. . . and now is your chance to prove how much of a super fan of Friends you really are! Color your way through 10 seasons with your favorite friends with 20 illustrations based on the fantastic sets of the hit T.V. show. From the famous couch to that old, clunky cab and the coffee shop to the apartment kitchens, The One with All the Coloring is the perfect way to unwind, relax and take a vivid stroll back through your favorite episodes and scenes of all time. The author shares his experiences as a young Japanese studying in America at the height of World War II Updated for today's readers, Dale Carnegie's timeless bestseller How to Win Friends and Influence People is a classic that has improved and

transformed the professional and personal and lives of millions. One of the best-known motivational guides in history, Dale Carnegie's groundbreaking book has sold tens of millions of copies, been translated into almost every known language, and has helped countless people succeed. Originally published during the depths of the Great Depression—and equally valuable during booming economies or hard times—Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their professional and personal lives. How to Win Friends and Influence People teaches you: -How to communicate effectively -How to make people like you -How to increase your ability to get things done -How to get others to see your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century. In this fast-paced novel about the bonds of friendship, Jenny, Emily, and Hillary, known as the Awesome Threesome, thought they'd be a threesome forever. But with Jennie's relentless ambition, Emily's jealousy, and Hillary's building resentment, it seems the Awesome Threesome is destined to be a thing of the past. Assigned to write in diaries for English class, the three girls, along with three other classmates, find themselves admitting things so terrible that even they are

shocked. All are left wondering: What price does a person have to pay for being successful? The pursuit of the truth is compellingly chronicled and the resolution satisfies. A New York Times Book Review Notable Book of 2017 A Wall Street Journal Best Book of 2017 From the great historian of the American Revolution, New York Times-bestselling and Pulitzer-winning Gordon Wood, comes a majestic dual biography of two of America's most enduringly fascinating figures, whose partnership helped birth a nation, and whose subsequent falling out did much to fix its course. Thomas Jefferson and John Adams could scarcely have come from more different worlds, or been more different in temperament. Jefferson, the optimist with enough faith in the innate goodness of his fellow man to be democracy's champion, was an aristocratic Southern slaveowner, while Adams, the overachiever from New England's rising middling classes, painfully aware he was no aristocrat, was a skeptic about popular rule and a defender of a more elitist view of government. They worked closely in the crucible of revolution, crafting the Declaration of Independence and leading, with Franklin, the diplomatic effort that brought France into the fight. But ultimately, their profound differences would lead to a fundamental crisis, in their friendship and in the nation writ large, as they became the figureheads of two entirely new forces, the first American political parties. It was a bitter

breach, lasting through the presidential administrations of both men, and beyond. But late in life, something remarkable happened: these two men were nudged into reconciliation. What started as a grudging trickle of correspondence became a great flood, and a friendship was rekindled, over the course of hundreds of letters. In their final years they were the last surviving founding fathers and cherished their role in this mighty young republic as it approached the half century mark in 1826. At last, on the afternoon of July 4th, 50 years to the day after the signing of the Declaration, Adams let out a sigh and said, At least Jefferson still lives. He died soon thereafter. In fact, a few hours earlier on that same day, far to the south in his home in Monticello, Jefferson died as well. Arguably no relationship in this country's history carries as much freight as that of John Adams of Massachusetts and Thomas Jefferson of Virginia. Gordon Wood has more than done justice to these entwined lives and their meaning; he has written a magnificent new addition to America's collective story. How did two teenagers brutally murder an innocent child...and why? And how did their brilliant lawyer save them from the death penalty in 1920s Chicago? Written by a prolific master of narrative nonfiction, this is a compulsively readable true-crime story based on an event dubbed the "crime of the century." In 1924, eighteen-year-old college students Nathan Leopold and Richard

Loeb made a decision: they would commit the perfect crime by kidnapping and murdering a child they both knew. But they made one crucial error: as they were disposing of the body of young Bobby Franks, whom they had bludgeoned to death, Nathan's eyeglasses fell from his jacket pocket. Multi-award-winning author Candace Fleming depicts every twist and turn of this harrowing case--how two wealthy, brilliant young men planned and committed what became known as the crime of the century, how they were caught, why they confessed, and how the renowned criminal defense attorney Clarence Darrow enabled them to avoid the death penalty. Following on the success of such books as *The Rise and Fall of Charles Lindbergh* and *The Family Romanov*, this acclaimed nonfiction writer brings to heart-stopping life one of the most notorious crimes in our country's history. How does corruption and fraud take hold in a company? Is there a set of actions you can take to prevent it? How can you get rid of fraud and corruption once it is inside your organization? Among *Friends and Fraudsters* gives you an insider's view on the petty fraud and corruption that businesses and organizations face in many markets. Sharing her experiences building Atsoko, the leading beauty retail chain in Tanzania, Marie Engleson gives you a roadmap for successfully navigating these complex issues. While it is not easy, she argues that it is possible to stay true to your values and build an honest

business in a high-risk marketplace - and thrive. In this book, you'll learn: Why and how a previously honest person becomes corrupt How to say no to a racketeer How not to become a fool among fraudsters The author also shares stories from auditors, business managers, entrepreneurs, and policymakers working in East Africa, to encourage and excite the reader to build great companies in high-risk markets. "Nora Alpers, 4th grade scientist, tackles her most difficult subject yet, making friends with someone you have nothing in common with"-- In *Among Friends* M. F. K. Fisher begins her recollections in Albion, Michigan, but they soon lead her to Whittier, California, where her family moved in 1912, when she was four. The "Friends" of the title range from the hobos who could count on food at the family's back door to the businessmen who advertised in *Father's* paper—but above all they are the Quakers who were the prominent group in Whittier. Mary Frances Kennedy found them unusual friends indeed, in the more than forty years that she lived in Whittier she was never invited inside a Friend's house. Her portraits of her father, Rex—her mentor, himself the editor of the local newspaper—her mother, Edith, and the other members of her family are memorable and moving. Originally published in 1970, *Among Friends* provides a fascinating glimpse into the background and development of one of our most delightful

and best-loved writers, Mary Frances Kennedy Fisher. Find out through classroom vignettes and collegial conversations how these teachers create learning communities where there are "no outcasts" and all children can take advantage of the learning motivation they are born with. We were not prepared for #metoo when it blew up Twitter in October 2017. In many ways, we still aren't. What do we do when we learn a friend has been harmed? And what does it mean to be a good friend when someone we love caused the harm? We live in a society that confines survivors to silence. Our only avenues to address harm do little to prevent its recurrence. Trapped within a binary of silence or punishment, it's no wonder so many of us remain paralyzed even as the disclosures continue. Punishment requires both certainty and authority, which most bystanders lack. But once the silence has been broken, we can't return to it. Few of us are strangers to the nagging feeling that arises within that paralysis. We intuit--correctly--that we have some kind of responsibility when harm happens in our communities, but what is it? And if we have responsibility, do we have rights? Combining behavioral neuroscience and insights from those on the frontlines of harm intervention, *Disrupting the Bystander* helps us break out of paralysis so that we can best support those we love--whether they were hurt or hurt someone else. *Mortality, With Friends* is a

collection of lyrical essays from Fleda Brown, a writer and caretaker, of her father and sometimes her husband, who lives with the nagging uneasiness that her cancer could return. *Memoir in feel*, the book muses on the nature of art, of sculpture, of the loss of bees and trees, the end of marriages, and among other things, the loss of hearing and of life itself. Containing twenty-two essays, *Mortality, With Friends* follows the cascade of loss with the author's imminent joy in opening a path to track her own growing awareness and wisdom. In "Donna," Brown examines a childhood friendship and questions the roles we need to play in each other's lives to shape who we might become. In "Native Bees," Brown expertly weaves together the threads of a difficult family tradition intended to incite happiness with the harsh reality of current events. In "Fingernails, Toenails," she marvels at the attention and suffering that accompanies caring for our aging bodies. In "Mortality, with Friends," Brown dives into the practical and stupefying response to her own cancer and survival. In "2019: Becoming Mrs. Ramsay," she remembers the ghosts of her family and the strident image of herself, positioned in front of her Northern Michigan cottage. Comparable to Lia Purpura's essays in their density and poetics, Brown's intent is to look closely, to stay with the moment and the image. Readers with a fondness for memoir and appreciation for art will be dazzled by the

beauty of this collection. "In *Murder Among Friends*, Elizabeth Belfiore supports this thesis with an in-depth examination of the crucial role of philia in Greek tragedy. Drawing on a wealth of evidence, she compares tragedy and epic, discusses the role of philia relationships within Greek literature and society, and analyzes in detail the pattern of violation of philia in five plays: Aeschylus' *Suppliants*, Sophocles' *Philoctetes* and *Ajax*, and Euripides' *Iphigenia in Tauris* and *Andromache*."--BOOK JACKET. Samantha Scott can tell her best friend Miles Wilson anything...except that she's falling in love with him. Samantha knows that Miles would never think of her as girlfriend material. So she keeps her love for him a secret. It's a lot easier--and safer--that way. Everything changes when Miles tells Samantha that he's in love--with China Henry, the most beautiful (and unattainable) girl at Jefferson High. But Miles can't get a date with China unless Samantha helps him. Can Samantha put her true feelings aside and go along with his scheme? Or will she finally spill her heart to Miles, and risk losing him forever? In *Walking with Friends*, D.J. Gregory, a thirty-year-old who has cerebral palsy, describes his year of traveling with the PGA tour and walking every course. For D.J., this experience has been the fulfillment of a lifelong dream as well as a search for inspiration, but it has also become a source of inspiration for countless others. D.J.

started watching golf with his father when he was twelve years old. While becoming a professional player, joining the amateur ranks, or even becoming a caddy were never realistic considerations because of his cerebral palsy, being able to walk the courses that the golfers—D.J.’s heroes— played was a dream D.J. never gave up on. Over the course of the 2008 PGA tour, D.J. teamed up with the PGA and made his dream come true. It was the ultimate challenge (D.J. compares walking 18 holes of golf for him to running a 10K with a couple of sandbags tied around your waist; he walked each round—four tournament rounds, plus a practice round—of every tournament), and the ultimate journey. At each of the PGA Tour events, D.J., with the help of a cane, walks the course and counts each step (and each fall) alongside a different golfer. Filled with detailed descriptions of the courses and tournaments as well as revealing conversations with players, *Walking with Friends* is a one-of-a-kind story about tough lies, majestic greens, colorful characters, and the walk of a lifetime. NOW A HULU ORIGINAL SERIES • From the New York Times bestselling author of *Normal People* . . . “[A] cult-hit . . . [a] sharply realistic comedy of adultery and friendship.”—*Entertainment Weekly* SALLY ROONEY NAMED TO THE TIME 100 NEXT LIST • WINNER OF THE SUNDAY TIMES (UK) YOUNG WRITER OF THE YEAR

AWARD • ONE OF BUZZFEED’S BEST BOOKS OF THE DECADE • ONE OF THE TEN BEST BOOKS OF THE YEAR: *Vogue*, *Slate* • ONE OF THE BEST BOOKS OF THE YEAR: *Elle* Frances is a coolheaded and darkly observant young woman, vaguely pursuing a career in writing while studying in Dublin. Her best friend is the beautiful and endlessly self-possessed Bobbi. At a local poetry performance one night, they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman’s sophisticated home and handsome husband, Nick. But however amusing Frances and Nick’s flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and dangers of youth, and the messy edges of female friendship. SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD “Sharp, funny, thought-provoking . . . a really great portrait of two young women as they’re figuring out how to be adults.”—Celeste Ng, *Late Night with Seth Meyers* Podcast “The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that even when little happens they’re

suspenseful.”—Curtis Sittenfeld, *The Week* “Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions.”—*New York* “A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney’s consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney’s natural power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do.”—Alexandra Schwartz, *The New Yorker* “This book. This book. I read it in one day. I hear I’m not alone.”—Sarah Jessica Parker (Instagram) How we raise young children is one of today’s most highly personalized and sharply politicized issues, in part because each of us can claim some level of “expertise.” The debate has intensified as discoveries about our development-in-the-womb and in the first months and years—have reached the popular media. How can we use our burgeoning knowledge to assure the well-being of all young children, for their own sake as well as for the sake of our nation? Drawing from new findings, this book presents important conclusions about nature-versus-nurture, the impact of being born into a working family, the effect of politics on programs for children, the costs and benefits

of intervention, and other issues. The committee issues a series of challenges to decision makers regarding the quality of child care, issues of racial and ethnic diversity, the integration of children's cognitive and emotional development, and more. Authoritative yet accessible, *From Neurons to Neighborhoods* presents the evidence about "brain wiring" and how kids learn to speak, think, and regulate their behavior. It examines the effect of the climate-family, child care, community-within which the child grows. From bestselling author Ben Macintyre, the true untold story of history's most famous traitor A priest's inspiring story of bringing people together and bringing them closer to God—with some help from Dolly Parton, Martin Short, and others. This book is my Midrash. With these words, Father Jim Sichko draws us into a life story full of laughter, tears, and service, filled with insightful lessons gained during his many travels as a clergyman and motivational speaker. Whether recounting his sobering flying experiences, the time he met the pope, or his encounter with the "Weed Man," Father Jim instructs through powerful storytelling. As he takes us along on his journey, from getting kicked out of seminary to hosting celebrities—including Dolly Parton, Harry Connick Jr., Martin Short, and former first lady Laura Bush—at his small Kentucky parish, Father Jim shines a light into the corners of the human heart to expose our need for God and the love

He alone can give. With humor and striking honesty, Father Jim reveals what it means to worship God, have compassion for others, and live life among friends. Throughout history women have caused wars, defied the rules, and brought men to their knees. The famous and the infamous, queens, divorcées, actresses, and outlaws have created a ruckus during their lifetimes-turning heads while making waves. *Scandalous Women* tells the stories of the risk takers who have flouted convention, beaten the odds, and determined the course of world events. *When Cleopatra (69 BC-30 BC) wasn't bathing in asses' milk, the last pharaoh of the Ptolemaic dynasty ruled Egypt and forged an important political alliance with Rome against her enemies-until her dalliance with Marc Antony turned the empire against her. *Emilie du Châtelet (1706-1748), a mathematician, physicist, author, and paramour of one of the greatest minds in France, Voltaire, shocked society with her unorthodox lifestyle and intellectual prowess-and became a leader in the study of theoretical physics in France at a time when the sciences were ruled by men. *Long before Rosa Parks refused to give up her seat on the bus, Ida B. Wells-Barnett (1862-1928) fought to end discrimination and the terrible crime of lynching and helped found the NAACP, but became known as a difficult woman for her refusal to compromise and was largely lost in the annals of history. *Gertrude Bell

(1868-1926) had a passion for archaeology and languages, and left her privileged world behind to become one of the foremost chroniclers of British imperialism in the Middle East, and one of the architects of the modern nation of Iraq. *Brahms Among Friends* identifies patterns of listening, performance, and composition among close friends of Johannes Brahms and explores how those patterns informed the creation and reception of his music in the intimate genres of song, sonata, trio, and piano miniature. Among the tangled threads of counterpoint and circumstance that bound Brahms to his acquaintances was the technique of allusive musical borrowing, whereby a brief passage from a familiar work was drawn into the fabric of a new composition. For the specific listeners whose habits of mind and musicianship he knew best, allusive borrowings could become rhetorically charged gestures, persuasively revising the meanings his music conveyed and the interpretive strategies it invited. Primary documents, original manuscripts, music-analytic comparison, and kinesthetic parameters experienced in the act of performance all work in tandem to support ten case studies in the interplay between Brahms's small-scale works and the women and men who encountered them before publication. Central characters include violinist Joseph Joachim, singers Amalie Joachim, Julius Stockhausen, and Agathe von Siebold,

composers Heinrich and Elisabeth von Herzogenberg, and pianists Emma Engelmann and Clara Schumann. For these musicians and for the composer himself, Brahms's allusive music served a broad variety of emotional needs and interpersonal ends. Yet across diverse repertoire and interdisciplinary correlates ranging from ethnography to psychoanalysis, each case study furthers a single, underlying aim: Yet across diverse repertoire and interdisciplinary correlates ranging from ethnography to psychoanalysis, each case study furthers a single, underlying aim: to reconstruct the mutually dependent perspectives of historically situated agents and restore forgotten features of their communicative landscapes as bases for both musical and historical scrutiny.
