The Boy Generals Nov 11 2019 The Boy Generals: George Custer, Wesley Merritt, and the Cavalry of the Army of the Potomac is the first installment in a remarkable trilogy to examine the strategy, tactics, and relationships of the leading Union army's mounted arm and their influence on the course of the Civil War in the Eastern Theater. George Armstrong Custer's career has attracted its fair share of coverage, but most Custer-related studies focus on his decision-making and actions to the exclusion of other important factors, including his relationships with his fellow officers. Custer developed his tactical philosophy within the politically ridden atmosphere of the Army of the Potomac's Cavalry Corps. His relationship with his immediate superior, Wesley Merritt, was so acrimonious that even Custer's wife Libbie described him as her husband's "enemy." The Boy Generals examines in detail the steadily deteriorating relationship of two cavalymen with opposing tactical philosophies, and how this relationship affected events in the field. Custer was a hussar—a firm believer in the shock power of the mounted saber charge—while Merritt was a dragoon, his tactics rooted in the belief that the purpose of the horse was to transport the trooper to the battlefield, where he could fight dismounted with his carbine. With these diametrically opposed belief systems, it was inevitable that these officers would clash. What has often been described as a spirited rivalry was in fact something much darker, an association that moved from initial distaste to acrimony, and finally, outright insubordination on Custer's part. Author Adolfo Ovies mined deeply Official Reports, regimental histories, and contemporary newspaper accounts, together with unpublished and little used primary sources of men who fought in their commands. This rich and satisfying study exposes the depths of one of the most dysfunctional and influential relationships in the Army of the Potomac and how it affected cavalry operations in the Eastern Theater. The Boy Generals will change the way Civil War readers think of the premier Union army's mounted arm, as well as George Custer's legacy.

BMW 7 Series (E38) Service Manual Jan 26 2021 The BMW 7 Series (E38) Service Manual: 1995-2001 is a comprehensive source of service information and technical specifications available for the BMW 7 Series models from 1995 to 2001. Titans Oct 03 2021 Rob Dunbar is the world's best history professor. And with good reason: he's been alive for three thousand years, keeping his existence a secret since before the days of Athens. But a stranger named Baxter has a better use for Rob's vast expertise. Baxter's looking to found a mining company in the Asteroid Belt. In exchange for Rob's help, he'll try to unravel the mystery of Rob's origin. As they're getting their outfit off the ground, they come under covert attack by HemiCo, a powerful Mars-based corporation. And Rob learns Baxter has a secret of his own—he's not human. He's a highly illegal AI. Developed by HemiCo in the wilds of Mars, the first AI escaped decades ago. They've been fighting a shadow war against their creators ever since. Dragged to Mars, Rob is thrown into the center of the fight—and becomes the unlikely leader of a revolution that will change the course of human history amongst the stars. ~ Keywords: space opera, space exploration, colonization, ai, artificial intelligence, spaceships

Argosy All-story Weekly Mar 28 2021

Patina Volkswagens Oct 23 2020 Since the early 2000s, the apparent explosion of interest in Volkswagens with original paint, rust and patina has inspired a generation of car fanatics, who might not be able to afford to restore a car to show condition, but still want a good looking, cool car that will stand out from the crowd. Once looked upon as being in need of restoration, cars with original paint, rust and patina, especially within the global Volkswagen community, have gradually become far more popular than restored cars. When walking down a line of cars at a car show, it's easy to see why; these cars are rare, unspoiled survivors – cars that tell a story of an interesting and varied past. The look of the Volkswagens being built in this style is so honest, unspoiled and characterful, that it has begun to inspire the media; even Hollywood movie stars and celebrities. Whilst this has undoubtedly resulted in increased car values, and turned a brand of cars that had always been a cheap, honest mode of transportation into something cool with a high price tag, the generation it initially inspired has grown with the hobby, and produced a micro-industry that still manages to embrace the 'Built not bought' ethos. This book, superbly illustrated with stunning colour photographs, takes an inside look at some of the key car builders, dealers, celebrities and hobbyists, as well as the different styles of build, meaning every single car has a style all its own. Foreword by Drew Pritchard of TV's 'Salvage Hunters' fame.

Joslin Diabetes Manual Sep 21 2020 Abstract: Current knowledge of diabetes is explained in lay terms--how it is treated, its causes, and its longterm complications. Heredity plays the major role in contracting diabetes, though obesity, age, stress, and general health are often contributing factors. Through proper diet and insulin regulation the disease can be successfully controlled. Juvenile onset diabetes usually requires daily insulin injections; adults onset diabetes has milder symptoms and often injections are not needed. Longterm effects of the disease include circulatory problems, kidney disease, and impaired vision. Research discoveries and careful monitoring of the disease continue to improve patient's general health and longevity. Appendices include directions for following the diabetic diet, guidelines for dining include directions for following the diabetic diet, guidelines for dining out, height and weight charts, and sick day rules.

Professional Papers Dec 13 2019

Mein Kampf Apr 16 2020 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of 'MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote

the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

A Manual of Ambulance Transport Jan 18 2023 This pre-WWI era manual directs its readers in ambulance care?primarily through the history of the practice and the various types of equipment and forms of transportation they may have to utilize in the field.
