InterRAI Home Care (HC) Assessment Form and User's Manual Apr 28 2021

The interRAI HC Assessment System has been designed to be a user-friendly, reliable, person-centered system that informs and guides comprehensive planning of care and services for elderly and disabled persons in community-based settings around the world. It focuses on the person's functioning and quality of life by assessing needs, strengths, and preferences. It also facilitates referrals when appropriate. When used on multiple occasions, it provides the basis for an outcome-based assessment of the person's response to care or services. The interRAI HC Assessment System can be used to assess persons with chronic needs for care, as well as with post-acute care

needs (e.g., after hospitalization or in a hospital-at-home situation).

Books on the Manual Arts Oct 03 2021 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
