At least one child in five experiences some form of learning
difficulty, but: * Learning difficulties as we understand
them DO NOT exist * They are not diseases just symptoms *
These symptoms never appear alone * They are treatable and
avoidable Dr Robin Pauc, an expert in child neurology,
approaches learning difficulties, including Dyslexia, ADD,
OCD, ADHD, Dyspraxia and Tourette's syndrome of childhood,
from a truly ground-breaking perspective. All human babies
are born prematurely and develop special new brain cells
four months after birth. Every human's development in the
womb and particularly in these early stages of life can,
therefore, be affected by development delay, which can
blight childhood and marginalize a child at school. Since

our brains continue to grow, however, the symptoms can also be treated. *Is That My Child?* Explains the background to human developmental delay and contains: * Advice on how to get the best assessment for your child and an explanation of what the examination must include * The effects - good and bad - of certain foods on the brain * Exercises and computer programs that you can use to expand your child's neural function * Case histories of children on whom this plan has worked

In the single biggest breakthrough in the history of learning difficulties, *Is That My Child?* explains the cause of Development Delay Syndromes, uses simple, easy-to-follow tips to show you how to greatly reduce the risk of your child suffering, and gives advice on what can be done to treat those children that do. 'Climo and Heller conflate several Korean variants of Cinderella to offer up the story of Pear Blossom, a lovely girl who is sorely mistreated by her nasty stepmother and stepsister... At once comfortingly familiar and intriguingly exotic, the text is especially noteworthy for its instructive but unobtrusive incorporation of Korean words.' -Publishers Weekly. 'Heller's paintings are exotically lush and colorful as well as engaging... An agreeable retelling of the Cinderella story.' -BL. Notable 1994 Children's Trade Books in Social Studies (NCSS/CBC) A New York Times Top Ten Book of the Year and National Book Award finalist, *Pachinko* is an "extraordinary epic" of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017 * A USA TODAY TOP TEN OF 2017 * JULY PICK FOR THE PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS * FINALIST FOR THE 2018 DAYTON LITERARY PEACE PRIZE * WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay's Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER * #1 BOSTON GLOBE BESTSELLER * USA TODAY BESTSELLER * WALL STREET JOURNAL BESTSELLER * WASHINGTON POST BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near

her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide* Learn about the land of kimchi - Korea! It is an Asian powerhouse that stands next to Japan in terms of technological achievements. Through this educational book, your child can go on a virtual tour around the country. Aside from the learnings, your child will also love the pictures and presentation of information here. Grab a copy now! This colorfully illustrated multicultural Korean children's book presents Indian fairy tales and other folk stories--providing insight into a rich literary culture. Korean Children's Favorite Stories is a captivating collection of Korean folktales for children which are still being told, just as they have been for generations. Some are Korean-specific, while others echo those told in other countries. Written with wit and pathos, they unveil the inevitable foibles of people everywhere and expose the human-like qualities of animals and the animal-like qualities of humans. Pulsating with the rhythm of life and the seasons, these Korean fables transport the reader to a wonderland where ants talk, a baby rabbit outwits a tiger, a tree fathers a child, and a toad saves a whole village. Korean stories include: The Story Bag The Pheasant, the Dove, and the Magpie The Bridegroom's Shopping The Bad Tiger The Great Flood The Pumpkin Seeds The Grateful Tiger The Three Princesses And more... The Children's Favorite Stories series was created to share the folktales and legends most beloved

by children in the East with young readers of all backgrounds in the West. Other multicultural children's books in this series include: Asian Children's Favorite Stories, Indian Children's Favorite Stories, Indonesian Children's Favorite Stories, Japanese Children's Favorite Stories, Singapore Children's Favorite Stories, Filipino Favorite Children's Stories, Favorite Children's Stories from China & Tibet, Chinese Children's Favorite Stories, Balinese Children's Favorite Stories, and Vietnamese Children's Favorite Stories. This rhyming tale brought to life by cut paper art will encourage children everywhere to take pride in their culture foods The Newbery Medal-winning tale of an orphan boy whose dream of becoming a master potter leads to unforeseen adventure in ancient Korea. Tree-ear is an orphan boy in a 12th-century Korean village renowned for its ceramics. When he accidentally breaks a delicate piece of pottery, he volunteers to work to pay for the damage. Putting aside his own dreams, Tree-ear resolves to serve the master potter by embarking on a difficult and dangerous journey, little knowing that it will change his life forever. "Intrigues, danger, and a strong focus on doing what is right turn a simple story into a compelling read. . . . A timeless jewel."—Kirkus Reviews, Starred Review A heartwarming tale of courage, resilience and hope from master storyteller and winner of the prestigious Newbery Medal, Linda Sue Park. When her name was Keoko, Japan owned Korea, and Japanese soldiers ordered people around, telling them what they could do or say, even what sort of flowers they could grow. When her name was Keoko, World War II came to Korea, and her friends and relatives had to work and fight for Japan. When her name was Keoko, she never forgot her name was actually Kim Sun-hee. And no matter what she was called, she was Korean. Not Japanese. Inspired by true-life events, this amazing story reveals what happens when your culture, country and identity are threatened. The Korean Charlotte's Web More than 2 million copies sold This is the story of a hen named Sprout. No longer content to lay eggs on command, only to have them carted off to the market, she glimpses her future every

morning through the barn doors, where the other animals roam free, and comes up with a plan to escape into the wild—and to hatch an egg of her own. An anthem for freedom, individuality and motherhood featuring a plucky, spirited heroine who rebels against the tradition-bound world of the barnyard, *The Hen Who Dreamed She Could Fly* is a novel of universal resonance that also opens a window on Korea, where it has captivated millions of readers. And with its array of animal characters—the hen, the duck, the rooster, the dog, the weasel—it calls to mind such classics in English as *Animal Farm* and *Charlotte's Web*. Featuring specially-commissioned illustrations, this first English-language edition of Sun-mi Hwang's fable for our times beautifully captures the journey of an unforgettable character in world literature. The most beautiful fish in the entire ocean discovers the real value of personal beauty and friendship. Large print. This intermediate level text has been developed in accordance with performance-based principles, contextualization, use of authentic materials, function/task-orientedness, and balance between skill getting and skill using. Each topic covers punctuation, grammar and new words and expressions. Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere—within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In *The Peacemaker*, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers. *Korean Celebrations* takes young readers on an exciting exploration of Korea's colorful festivals and family celebrations—wonderful days

that are filled with exciting activities and delicious foods. This book allows children to experience Korean culture firsthand by involving them in games, crafts, stories, foods and other activities like the following: Preparing and enjoying delicious Songpyeon--sweet dumplings that everyone loves to eat on Chuseok (Korea's version of Thanksgiving) Folding a paper carnation--a favorite Parent's Day gift! Making your own board game to play Yut-Nori--a game of luck and strategy that's played during Seollal, Korea's all-important New Year celebrations Writing simple Korean phrases using the Hangul alphabet, Korea's written language--which is celebrated with its own holiday (Hangul Day)! Making a paper fan--something kids always like to do when the hot summer holidays roll around! Making your own Pepero chocolate cookies or pretzel treats--which have their own just-for-fun festival day called Pepero Day In this book, kids will learn about many special Korean celebrations and festivals such as: Dano--the end of the planting season which is full of fun competitions like wrestling and swinging contests Children's Day--a spring day off from school, when parents take their kids out for a day of fun Daeboreum--a holiday to celebrate the moon, filled with special dances, twirling fire, lots of walking and, of course, special foods Special birthdays--(like turning one, or turning sixty) and other family celebrations. Buddhist and Christian holidays--like Christmas and Buddha's Birthday. ...And plenty more. Because in Korea, a holiday or celebration is always just around the corner! Korean Celebrations allows kids to immerse themselves in the lives of their Korean counterparts with these interactive multicultural activities. Presents pictures of everyday items to teach the words in both languages. A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania "Powerful and provocative . . . a novel about female strength, spirit, resilience--and the solace that friendship can sometimes provide."--The Washington Post NAMED ONE OF THE

BEST BOOKS OF THE YEAR BY Time • NPR • Esquire • Bustle • BBC • New York Post • InStyle

Kyuri is an aching beautiful woman with a hard-won job at a Seoul "room salon," an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri's roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship with the heir to one of the country's biggest conglomerates. Down the hall in their building lives Ara, a hairstylist whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wonna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea's brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them. *A Wonderful Day* (Korean edition). Danny talks about his day and learns you can always find something to be grateful for. **WINNER OF THE MAN ASIAN LITERARY PRIZE**

When sixty-nine-year-old So-nyo is separated from her husband among the crowds of the Seoul subway station, her family begins a desperate search to find her. Yet as long-held secrets and private sorrows begin to reveal themselves, they are forced to wonder: how well did they actually know the woman they called Mom? Told through the piercing voices and urgent perspectives of a daughter, son, husband, and mother, *Please Look After Mom* is at once an authentic picture of contemporary life in Korea and a universal story of family love. Edward Tulane, a cold-hearted and proud toy rabbit, loves only himself until he is separated from the little girl who adores him and travels across the country, acquiring new owners and listening to their hopes, dreams, and histories. Jr Lib Guild. *Teacher's Guide* available. Reprint. The Caldecott Honor-winning classic by bestselling picture-book creator David

Shannon! When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children--even when they misbehave. My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean! It's time for bed, but Alice doesn't want to go to sleep just yet. By going through her bedtime routine, Mom calms her daughter down by reminding her of all the wonderful things they did together that evening. Written in a soft and soothing manner, this book shows the warm and loving relationship between Alice and her mom, while preparing young readers for a good night's sleep. In the final days of World War II, Koreans were determined to take back control of their country from the Japanese and end the suffering caused by the Japanese occupation. As an eleven-year-old girl living with her Japanese family in

northern Korea, Yoko is suddenly fleeing for her life with her mother and older sister, Ko, trying to escape to Japan, a country Yoko hardly knows. Their journey is terrifying—and remarkable. It's a true story of courage and survival that highlights the plight of individual people in wartime. In the midst of suffering, acts of kindness, as exemplified by a family of Koreans who risk their own lives to help Yoko's brother, are inspiring reminders of the strength and resilience of the human spirit. NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her

mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Jimmy the little bunny doesn't start off knowing how to ride a two-wheeler bike like his big brothers. In fact, sometimes he gets teased for it. When Dad shows Jimmy how not to be afraid to try something new, that's when the fun begins.

Following three teenagers who chose to spend one school year living in Finland, South Korea, and Poland, a literary journalist recounts how attitudes, parenting, and rigorous teaching have revolutionized these countries' education results. A psychologist with a reputation for penetrating to the heart of complex parenting issues joins forces with a physician and bestselling author to tackle one of the most disturbing and misunderstood trends of our time -- peers replacing parents in the lives of our children. Dr. Neufeld has dubbed this phenomenon peer orientation, which refers to the tendency of children and youth to look to their peers for direction: for a sense of right and wrong, for values, identity and codes of behaviour. But peer orientation undermines family cohesion, poisons the school atmosphere, and fosters an aggressively hostile and sexualized youth culture. It provides a powerful explanation for schoolyard bullying and youth violence; its effects are painfully evident in the context of teenage gangs and criminal activity, in tragedies such as in Littleton, Colorado; Tabor, Alberta and Victoria, B.C. It is an escalating trend that has never been adequately described or contested until *Hold On to Your Kids*. Once understood, it becomes self-evident -- as do the solutions. *Hold On to Your Kids* will restore parenting to its natural intuitive basis and the parent-child relationship to its rightful preeminence. The concepts, principles and practical advice contained in *Hold On to Your Kids* will empower parents to satisfy their

children's inborn need to find direction by turning towards a source of authority, contact and warmth. Something has changed. One can sense it, one can feel it, just not find the words for it. Children are not quite the same as we remember being. They seem less likely to take their cues from adults, less inclined to please those in charge, less afraid of getting into trouble. Parenting, too, seems to have changed. Our parents seemed more confident, more certain of themselves and had more impact on us, for better or for worse. For many, parenting does not feel natural. Adults through the ages have complained about children being less respectful of their elders and more difficult to manage than preceding generations, but could it be that this time it is for real? -- from Hold On to Your Kids Jimmy, the little bunny, is very upset and nervous. Tomorrow is his first day in daycare, but he just wants to stay at home with his mom. Join Jimmy to find out how his friendly teddy bear helps him to feel excited. Finally, he discovers how much fun daycare really is! This children's book may help your little ones overcome their worries of leaving their parents for the first time, while helping them to adjust to new changes. **2012 Creative Child Magazine Preferred Choice Award Winner** There are now over 1.5 million Korean-Americans living in the United States including 100,000 adopted children. All About Korea is perfect for educators and parents wishing to teach kids about this rich Asian culture. This Korean children's book is an excellent introduction to the culture and history of Korea. It highlights favorite games, foods, special holiday times, and after-school activities specific to Korea. With All About Korea, kids will: Learn how to play the exciting Korean see-saw game with a friend and how to play jegi (Korean hacky-sack) Learn how to sing "Happy Birthday" in Korean and how to sing "Arirang" (Korea's most beloved song) Learn how kids say "hello!" and other essential words and phrases in the Korean language Learn how to make a white tiger puppet Enjoy traditional Korean stories such as Taming a Tiger and Two Foolish Green Frogs Enjoy easy Korean recipes for delicious treats like kimbap (roll-your-own wraps) and songpyeon

(sweet filled rice cakes). A timeless Korean book for kids and parents to treasure together, All About Korea offers not only the most significant facts about this unique country but also conveys the unique spirit that makes it one-of-a-kind. From multi-award-winning Ellie Crowe and bestselling children's author Scott Peters comes a gripping story about one refugee's escape from the oppression of North Korea. 14-year-old Dae has been taught that his country's fearless leaders are like gods. Yet the painfully skinny boy can't help wondering if something's off, because all his family has to eat is watery porridge made from grass. At school, Dae and his friends are so hungry that it's hard to play 'Bash the American' in the schoolyard. In class, the boys and girls bow before the leaders' giant portraits, their clothes flapping around their bony limbs. Dae begins to question why their rulers look so well fed. When Dae's beloved parents fall into trouble, the young teen must fend for himself. Dae begins to dream of rebellion—of fleeing across the forbidden border into China to look for work. For how else can he help free his family? But can the starving boy survive the deadly crossing? It would take all of his remaining strength to succeed. Still, Dae becomes certain of one thing . . . He must escape! In the #1 New York Times bestseller, The World Needs Who You Were Made to Be, Joanna Gaines celebrates how creativity and acceptance can come together to make for a bright and beautiful adventure. The book, illustrated by Julianna Swaney, follows a group of children as they each build their very own hot-air balloons. As the kids work together, leaning into their own skills and processes, we discover that the same is true for life—it's more beautiful and vibrant when our differences are celebrated. Together with Joanna, you and your kids will take a journey of growth and imagination as you learn in full color to: Celebrate every child's one-of-a-kind strengths and differences Embrace teamwork Share our talents and abilities to make everything more beautiful Lend a helping hand and do our best to show kindness and take care of one another The World Needs Who You Were Made to Be is a vibrant picture book perfect for: Ages 4-8 Grandparents,

parents, teachers, and librarians Classroom story times and discussions about diversity and being a good human being Households that enjoy watching Chip and Joanna on Magnolia Network and HGTV's Fixer Upper With plenty of pink, a bounty of blue, orange and green and yellow too, this vibrant hot-air balloon adventure celebrates every child and teaches kids that we are in this together. "You're one of a kind, and it's so clear to see: The world needs who you were made to be." Sound the alarm for a day of fire-station fun with the one and only Richard Scarry! From fast fire trucks and out-of-control hoses to sliding down fire poles and saving the day, this exciting and funny Richard Scarry story will have little ones asking to read it over and over again. Includes a sheet of stickers! This book is a complete guide for people who want to learn the Korean language, starting from the very beginning, and learn the alphabet and the correct sounds of vowels, consonants, and diphthongs. It was written for people who want an easy but systematic approach to the language. The writer is a non-native speaker who started learning the language from ZERO, just like you and spent years in Korea trying to reach a better level of proficiency in Korean. After a few weeks of study, you will study to recognize words, make sentences, and have simple (but miraculous) conversations with other Korean speakers! Fancy Nancy fans of all ages will love this sweet story about learning to respect both the Earth and your family, in this I Can Read story from New York Times bestselling team Jane O'Connor and Robin Preiss Glasser! Learning to respect the environment is no small task, especially if you want to celebrate Earth Day every day of the week! Luckily, Nancy is on hand to make sure Mom, Dad, and her little sister do their part in being green—even if she has to keep reminding them. Nancy knows that she's helping her family do something very important, but will she take her enthusiasm for the environment a step too far? Fancy Nancy: Every Day Is Earth Day is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. The back matter features a list of the rich vocabulary words that are used throughout the story along with their

definition. In this children's book, aimed for 5-12 year old children you meet a young girl Amanda who has a habit of putting things off for tomorrow and wasting her time. That is, until one day something magical happens and Amanda finally realizes that time is the most precious asset we have, and that once it is wasted, it is lost forever. Did you ever want to teach your kids the basics of Korean ? Learning Korean can be fun with this picture book. In this book you will find the following features: Korean Alphabets. Korean Words. English Translations. What do you say when: you bump into a crocodile on a crowded city street? a nice gentleman introduces you to a baby elephant? the Queen feeds you so much spaghetti that you don't fit in your chair anymore? This is the funniest book of manners you'll ever read! To Save the Children of Korea is the first book about the origins and history of international adoption. Although it has become a commonplace practice in the United States, we know very little about how or why it began, or how or why it developed into the practice that we see today. Arissa Oh argues that international adoption began in the aftermath of the Korean War. First established as an emergency measure through which to evacuate mixed-race "GI babies," it became a mechanism through which the Korean government exported its unwanted children: the poor, the disabled, or those lacking Korean fathers. Focusing on the legal, social, and political systems at work, this book shows how the growth of Korean adoption from the 1950s to the 1980s occurred within the context of the neocolonial U.S.-Korea relationship, and was facilitated by crucial congruencies in American and Korean racial thought, government policies, and nationalisms. It also argues that the international adoption industry played an important but unappreciated part in the so-called Korean "economic miracle." Korean adoption served as a kind of template as international adoption began, in the late 1960s, to expand to new sending and receiving countries. Ultimately, Oh demonstrates that although Korea was not the first place that Americans adopted from internationally, it was the place where organized, systematic international adoption was born.
