These are some different Testimonys that I have an urgent need to share with you, dear  
Reader. I can not explain everything - but who can? Still I think these Testimonys will be  
of some encouragement and also bring out a laugh or two. I hope you enjoy reading this  
little booklet - I sure did. The KJV Holy Bible is offered in this larger print, affordable  
edition for personal and ministry use including book introductions, plan of salvation, and

10.5-pt type size. “A brave, powerful memoir” (People) that will change the way we look at identity and equality in this country, from the activist elected as the first openly transgender state senator in U.S. history “The energy and vigor Sarah has brought to the fight for equality is ever present in this book.”—Vice President Kamala Harris “If you’re living your own internal struggle, this book can help you find a way to live authentically, fully, and freely. . . . Let it show that we are all created equal and entitled to be treated with dignity and respect.”—President Joe Biden, from the foreword

Before she became the first transgender person to speak at a national political convention in 2016 at the age of twenty-six, Sarah McBride struggled with the decision to come out—not just to her family but to the students of American University, where she was serving as student body president. She’d known she was a girl from her earliest memories, but it wasn’t until the Facebook post announcing her truth went viral that she realized just how much impact her story could have on the country. Four years later, McBride was one of the nation’s most prominent transgender activists, walking the halls of the White House, advocating inclusive legislation, and addressing the country in the midst of a heated presidential election. She had also found her first love and future husband, Andy, a trans man and fellow activist, who complemented her in every way . . . until cancer tragically intervened. Informative, heartbreaking, and profoundly empowering, *Tomorrow Will Be Different* is McBride’s story of love and loss and a powerful entry point into the LGBTQ community’s battle for equal rights and what it means to be openly transgender. From issues like bathroom access to health care to gender in America, McBride weaves the important political and cultural milestones into a personal journey that will open hearts and change minds. As McBride urges: “We must never be a country that says there’s only one way to love, only one way to look, and only one way to live.” The fight for equality and freedom has only just begun. The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young’s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to

effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. In a practical, spiritual guidebook, Bobby Dodd shares testimonies from twenty men—ages twelve to ninety-five—who offer heartbreaking yet inspirational glimpses into their personal journeys as they struggled with a variety of challenges including pornography, addiction, adultery, suicide, the death of a child, divorce, an absentee father, sexual abuse, and a lack of accountability. Each story provides an opportunity to highlight their path to cultivating respect and honor, accepting responsibility, and ultimately becoming a faithful man of God. Included are study guide lessons with applicable scriptures, thought-provoking questions, and calls to action designed to generate discussion and reflection on failures, victories, and what it is to be a man living his spiritual purpose. *Be the Man* shares inspiring stories from twenty men who persevered through heartache and overcame obstacles to become faithful men of God. With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others.

This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series. #1 NEW YORK TIMES BESTSELLER • The funny, sad, super-honest, all-true story of Chelsea Handler's year of self-discovery—featuring a nerdily brilliant psychiatrist, a shaman, four Chow Chows, some well-placed security cameras, various family members (living and departed), friends, assistants, and a lot of edibles A SKIMM READS PICK • “This will be one of your favorite books of all time.”—Amy Schumer In a haze of vape smoke on a rare windy night in L.A. in the fall of 2016, Chelsea Handler daydreams about what life will be like with a woman in the White House. And then Donald Trump happens. In a torpor of despair, she decides that she's had enough of the privileged bubble she's lived in—a bubble within a bubble—and that it's time to make some changes, both in her personal life and in the world at large. At home, she embarks on a year of self-sufficiency—learning how to work the remote, how to pick up dog shit, where to find the toaster. She meets her match in an earnest, brainy psychiatrist and enters into therapy, prepared to do the heavy lifting required to look within and make sense of a childhood marked by love and loss and to figure out why people are afraid of her. She becomes politically active—finding her voice as an advocate for change, having difficult conversations, and energizing her base. In the process, she develops a healthy fixation on Special Counsel Robert Mueller and, through unflinching self-reflection and psychological excavation, unearths some glittering truths that light up the road ahead. Thrillingly honest, insightful, and deeply, darkly funny, Chelsea Handler's memoir keeps readers laughing, even as it inspires us to look within and ask ourselves what really matters in our own lives. Praise for *Life Will Be the Death of Me* “You thought you knew Chelsea Handler—and she thought she knew herself—but in her new book, she discovers that true progress lies in the direction we haven't been.”—Gloria Steinem “I always wondered what it would be like to watch Chelsea Handler in session with her therapist. Now I know.”—Ellen DeGeneres “I love this book not just because it made me laugh or because I learned that I feel the same way about certain people in politics as Chelsea does. I love this book because I feel like I finally really got to know Chelsea Handler after all these years. Thank you for sharing, Chelsea!”—Tiffany Haddish A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. From the social philosopher and New York Times–bestselling author of *The Sane Society: An analysis of the Old Testament as a revolutionary humanist work*. The Old Testament is one of the most carefully studied books in the world's history. It is also one of the most misunderstood. This founding text of the world's three largest religions is also, Erich Fromm argues, an impressive radical humanist text. He sees the stories of mankind's transition from divided clans to united brotherhood as a tribute to the human power to overcome. Filled with hopeful symbolism,

You Shall Be As Gods shows how the Old Testament and its tradition is an inspiring ode to human potential. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate. In I Will Be Found by You he reveals that the deliberate movement of our hearts toward God leads us into far more than a simple answer to our need—we actually find Him. He teaches us how to reconnect with the living One—who is our rescuer, our redeemer, and the restorer of our souls. "The publication of this volume celebrates thirty-seven extraordinary years of teaching at Acadia Divinity College and more years than that of dedicated service to the church. It is a joy to honor the lifetime service of Allison Trites for his ministry of teaching and service to the church. His commitment to the work of Christ has been an encouragement to all of his colleagues, fellow workers, and students, not to mention his fellow church members at the Wolfville United Baptist Church" (from the foreword). The two sections of this excellent collection of essays are "Biblical Studies" and "History and Theology, " and include contributions by the following. Timothy R. Ashley Manfred T. Brauch Daniel Goodwin Larry J. Kreitzer Richard N. Longenecker Tim McLay Andrew MacRae James R. C. Perkin Kevin Quast Alan P. F. Sell Robert S. Wilson John Tudno Williams Roy Williams R. Glenn Wooden The myth and accusation that the Catholic Pope will one day be the Antichrist has its roots in religious misconceptions and lack of Biblical end-time understanding. It has contributed greatly to discord and a lack of unity among millions of Christians that have very powerful common ground in Jesus Christ and the Cross of Calvary. Please allow this non-denominational author to show how the scriptures clearly demonstrate the Pope will never become the Antichrist. Come see how much the scripture does have to say about the coming "lawless one" and how his kingdom is being prepared right before our very eyes. The NIV Study Bible is the #1 bestselling study Bible in the world's most popular modern English Bible translation. This best-loved Bible features a stunning four-color interior with photographs, maps, charts, and illustrations. One look inside this white Italian Duo-Tone(TM) edition reveals why this Bible is a favorite for over 9 million people. Reports, Documents, and Journals of the U.S. Senate and House of Representatives. Pastor and author Martin Thielen has compiled a list of ten things people need to believe, and ten things they don't, in order to be a Christian. This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with. With an accessible, storytelling style that's grounded in solid biblical scholarship, Thielen shows how Christians don't need to believe that sinners will be "left behind" to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus--his life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist, mainline Christianity in a way that's fresh and easy to understand, and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide, previously only available online, and a new introduction from the author that reflects on

the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week, congregation-wide initiative that will help local churches reach out to their communities. More information is available at [thielen.wjkbooks.com](http://thielen.wjkbooks.com).

The book you are about to read has been a subject of debate for some time, a book written to shed light on the truth concerning the topic of hell, with an understanding taken from scripture and made clear throughout the Old and New Testament books of the Bible. It was written that we might have a clear understanding of God's love toward us, that we might know from what we were saved. It will give us a clear view of hell and what it will be like for those of us who I hope will not end up in its belly. My hope in this series of books is that you will come to know the plan of God toward mankind and that you might see the cross of Jesus Christ for what it represents. Jesus came to save us from the judgment that is to come, which I hope to highlight in this series of books.

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: *The Book of Revelation*, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns *The Book of Revelation* to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets *Revelation* as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

The final book of the Bible, *Revelation* prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. A stunning reexamination of one of the essential tenets of Christian belief from one of the most provocative and admired writers on religion today.

The great fourth-century church father Basil of Caesarea once observed that, in his time, most Christians believed that hell was not everlasting, and that all would eventually attain salvation. But today, this view is no longer prevalent within Christian communities. In this momentous book, David Bentley Hart makes the case that nearly two millennia of dogmatic tradition have misled readers on the crucial matter of universal salvation. On the basis of the earliest Christian writings, theological tradition, scripture, and logic, Hart argues that if God is the good creator of

all, he is the savior of all, without fail. And if he is not the savior of all, the Kingdom is only a dream, and creation something considerably worse than a nightmare. But it is not so. There is no such thing as eternal damnation; all will be saved. With great rhetorical power, wit, and emotional range, Hart offers a new perspective on one of Christianity's most important themes.
