Glimpses of Unfamiliar Japan; First Series Oct 06 2021 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1895 edition. Excerpt: ... A PILGRIMAGE TO ENOSHIMA. I. Kamakuba. A long, straggling country village, between low wooded hills, with a canal passing through it. Old Japanese cottages, dingy, neutral-tinted, with roofs of thatch, very steeply sloping, above their wooden walls and paper shoji. Green patches on all the roof-slopes, some sort of grass; and on the very summits, on the ridges, luxurious growths of yaneshobu, the roof-plant, bearing pretty purple flowers. In the lukewarm air a mingling of Japanese odors, smells of sake," smells of seaweed soup, smells of daikon, the strong native radish; and dominating all, a sweet, thick, heavy scent of incense, -- incense from the shrines of gods. Akira has hired two jinrikisha for our pilgrimage; a speckless azure sky arches the world; and the land lies glorified in a joy of sunshine. And yet a sense of melancholy, of desolation unspeakable, weighs upon me as we roll along the bank of the tiny stream, between the mouldering lines of wretched little homes with grass growing on their roofs. For this mouldering hamlet represents all that remains of the million-peopled streets of Yoritomo's capital, the mighty city of the Shogunate, the ancient seat of feudal power, whither came the envoys of Kublai Khan demanding tribute, to lose their heads for their Yane, "roof;" shobu, "sweet-flag " (Acorus calamus). temerity. And only some of the unnumbered temples of the once magnificent city now remain, saved from the conflagrations of the fifteenth and sixteenth centuries, doubtless because built in high places, or because isolated from the maze of burning streets by vast courts and groves. Here still dwell the ancient gods in the great silence of their decaying temples, without worshipers, without revenues, surrounded by...

Fungi in Polar Regions Jan 21 2023 Fungi that inhabit polar-region can grow and decompose organic compounds under subzero temperatures play important roles in the nutrient cycle of polar-region ecosystems. Thus, changes in the mycoflora affect the ecological recycling in these regions, and understanding the cold-adaptation strategies of fungi under extreme environments is critical for a better understanding of polar-region ecosystems. Due to their ability to survive under extreme environments, fungi in polar-region are seen to show potential for utilization in biotechnologies. This book presents our current understanding of the mycoflora in polar-region and their cold adaptation strategies, and applied studies using their abilities.

I can smell the scent of rain May 01 2021 A romantic story about a blind artist who, since childhood, lost the ability to see the world in colors. He will find a person who will show him all the colors of the world, and in return will share with him his unique spiritual world, full of colors invented by him.

The Scent Of Magic Jan 29 2021 Rolf Hynasson was planning on becoming a magician and using his gifts to help the Empire. While in the capital of Ponticar, he finds himself suddenly an outcast, running for his life from the most powerful family in the city. Aided by a mysterious magician named Dark, Rolf soon learns to survive by using his wits as well as his magic. While the Empire is plunged into war with a rival, Rolf embarks on a journey that teaches him to unleash his true power. The Scent of Magic is the first volume in the Ponticar Series.

Popular Science Feb 27 2021 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Sake Handbook Feb 10 2022 The Sake Handbook is the foremost guide to the history, brewing, and distinctive flavors of sake. Just what are jizake, namazake and ginjoshu? The Sake Handbook answers all these questions and many more about sake wine, and will help you enjoy Japan's national beverage in style. Author John Gauntner is recognized as the world's leading non-Japanese sake expert. A longtime Japan resident, he is well known among sake brewers and others within the sake industry. He wrote the Nihonshu Column in the Japan Times for many years before writing a weekly column on sake in Japanese for the Yomiuri Shimbun, Japan's and the world's most widely distributed Japanese newspaper. In 2006, John received the Sake Samurai award. He has published five books on sake including Sake Confidential This sake book features: This new edition has been completely revised and updated Gives you all the information you need in an handy, portable format Offers a detailed explanation of the sake brewing process Reviews over a hundred sake brands, with illustrations of their labels for easy identification Profiles over 50 Japanese izakaya or pub-style restaurants in Tokyo and the surrounding environs Lists specialty shops in Japan where you can purchase hard-to-find Japanese wine brands Lists specialty retailers in the United States and elsewhere

Coming to My Senses Dec 20 2022 A sudden love affair with fragrance leads to sensual awakening, self-transformation, and an unexpected homecoming At thirty-six—earnest, bookish, terminally shopping averse—Alyssa Harad thinks she knows herself. Then one day she stumbles on a perfume review blog and, surprised by her seduction by such a girly extravagance, she reads in secret. But one trip to the mall and several dozen perfume samples later, she is happily obsessed with the seductive underworld of scent and the brilliant, quirky people she meets there. If only she could put off planning her wedding a little longer. . . Thus begins a life-changing journey that takes Harad from a private perfume laboratory in Austin, Texas, to the glamorous fragrance showrooms of New York City and a homecoming in Boise, Idaho, with the women who watched her grow up. With warmth and humor, Harad traces the way her unexpected passion helps her open new frontiers and reclaim traditions she had rejected. Full of lush description, this intimate memoir celebrates the many ways there are to come to our senses.

The Perfect Scent Jun 02 2021 The Perfect Scent is the thrilling inside story of the global perfume industry, told through two creators working on two very different scents.

Aromatherapy: Scent and Psyche Feb 16 2020 Aromatic oils have been used for thousands of years not only for their fragrance but for culinary, therapeutic, ritual, and spiritual purposes. More than a fashionable trend, aromatherapy is coming into its own as a body of knowledge and practice with specific applications that have a solid scientific base. Drawing on research and clinical studies, Peter and Kate Damian look at many applications from treating viral infections with garlic or black pepper oil to using rose oil to relax patients undergoing chemotherapy; from aromatic massage to the "environmental fragrancing" of subways and supermarkets. Explores: • How scent interacts with emotion, memory, mental acuity, and sleep • Why specific scents are so effective in therapeutic and ritual settings • Antiseptic and antimicrobial properties of essential oils How men and women differ in their responses to odors • Provides a thorough exposition of the ancient practice of aromatics in China, India, Persia, and Egypt • Details our modern scientific understanding of the physiology and psychology of scent. • Includes annotated profiles for forty-four essential oils and specific instructions for creating essential oil blends.

Amazing Minds Jul 23 2020 A noted parenting expert provides the latest research on child development and offers games and activities parents can use to support their child's natural abilities. Drawing on the latest fascinating research in child brain development, noted parenting expert Jan Faull gives parents the essential tools to recognize and encourage their child's natural development- and have fun with their kids in the process. Simple to use and easy to understand, the techniques in Amazing Minds show parents how to support their children's capacity for learning. Faull describes chronologically what babies are capable of and the research behind those findings-then provides clear instruction, practical exercises, and fun games to play with babies to enhance their innate learning process. Amazing Minds will change how people view babies-from newborns to toddlers- and foster a new level of nurturing for generations of parents, educators, and caregivers.

The Scent Trail Nov 26 2020 When Celia Lyttelton visited a bespoke perfumers, she realized a long-held ambition: to have a scent created solely for her. Entering this heady, exotic world of oils and essences, she was transported from a leafy London square to a place of long-forgotten memories and sensory experiences. And once drawn into this world, she felt compelled to trace the origins, history and culture of the many ingredients that made up her unique perfume... And so began a magical journey of the senses that took Celia from Grasse, the cradle of perfume, to Morocco; from the rose-growing region of Isparta in Turkey, to the Tuscan hills where the iris grows wild. And after journeying to Sri Lanka, the home of the heavenly scented jasmine, Celia ventured to India, the Yemen and finally to the 'Island of Bliss', Socotra. Here she traced the rarest and most mysterious agent in perfumery, ambergris, which is found in

other supernatural methods of trying to change the universe were everyday methods of coping with the difficulties of life in antiquity. While ancient magic is most often studied through texts like surviving Greco-Egyptian spellbooks and artifacts like lead curse tablets, for a Greek or Roman magician a ritual was a rich sensual experience full of unusual tastes, smells, textures, and sounds, bright colors, and sensations like fasting and sleeplessness. Greco-Roman magical rituals were particularly dominated by the sense of smell, both fragrant smells and foul odors. Ritual practitioners surrounded themselves with clouds of fragrant incense and perfume to create a sweet and inviting atmosphere for contact with the divine and to alter their own perceptions; they also used odors as an instrumental weapon to attack enemies and command the gods. Elsewhere, odiferous herbs were used equally as medical cures and magical ingredients. In literature, scent and magic became intertwined as metaphors, with fragrant spells representing the dangers of sensual perfumes and conversely, smells acting as a visceral way of envisioning the mysterious action of magic. *The Scent of Ancient Magic* explores the complex interconnection of scent and magic in the Greco-Roman world between 800 BCE and CE 600, drawing on ancient literature and the modern study of the senses to examine the sensory depth and richness of ancient magic. Author Britta K. Ager looks at how ancient magicians used scents as part of their spells, to put themselves in the right mindset for an encounter with a god or to attack their enemies through scent. Ager also examines the magicians who appear in ancient fiction, like Medea and Circe, and the more metaphorical ways in which their spells are confused with perfumes and herbs. This book brings together recent scholarship on ancient magic from classical studies and on scent from the interdisciplinary field of sensory studies in order to examine how practicing ancient magicians used scents for ritual purposes, how scent and magic were conceptually related in ancient literature and culture, and how the assumption that strong scents convey powerful effects of various sorts was also found in related areas like ancient medical practices and normative religious ritual.

[The Book of Sake](#) Mar 11 2022 Once found only in sushi bars and Japanese restaurants, Sake now lines the shelves of gourmet food shops, supermarkets and restaurants of all persuasions, listed alongside the customary wine selections. Written by a Sake brewmaster, this book shows how to select a good sake and how to match an evening's selection with food. Once found only in sushi bars and Japanese restaurants, Sake now lines the shelves of gourmet food shops, supermarkets and restaurants of all persuasions, listed alongside the customary wine selections. With demand on the rise, the timing of *The Book*

[The Scent of Buenos Aires](#) Oct 26 2020 From one of Argentina's greatest contemporary storytellers, *The Scent of Buenos Aires* gathers twenty-five of Hebe Uhart's most remarkable and incandescent short stories in English for the first time. *The Scent of Buenos Aires* offers the first book-length English translation of Uhart's work, drawing together her best vignettes of quotidian life: moments at the zoo, the hair salon, or a cacophonous homeowners association meeting. She writes in unconventional, understated syntax, constructing a delightfully specific perspective on life in South America. These stories are marked by sharp humor and wit: discreet and subtle, yet filled with eccentric and insightful characters. Uhart's narrators pose endearing questions about their lives and environments - one asks "Bees - do you know how industrious they are?" while another inquires, "Are we perhaps going to hell in a hand basket?"

[Scent of Danger](#) Oct 14 2019 She believes in duty, not love.... As the illegitimate sister of the Duke of Raven, Emily knows only too well how society judges a woman like her, and what a debt of gratitude she owes her family. She also knows the vital importance of maintaining independence, and how cruel fate can eclipse good intentions anytime. Certainly she's not going to let her head or heart get fooled by the devilishly annoying Cambridge Sinclair, her family's protector and London's notorious rake... who also happened to save her life... more than once. He's a reformed rake seeking redemption.... Cam has been intrigued by the mysterious Miss Emily Tolly for years, even though theirs is a turbulent relationship. With her family and others, she's shy and timid, but with him, she's anything but. He knows this kitten has claws beneath the quiet exterior and a whole lot of other secrets she's hiding. But her passion and intelligence draw him irresistibly to her, so when he's given the opportunity to rescue her once again, he grabs it with both hands. This rescue, though, takes the form of a hastily arranged marriage, which Cam enters into willingly for her sake and her family's. What he doesn't count on is the closer he and Emily get, the stronger their passion burns, and Cam finds himself wanting not just her body, but her heart too. A destiny written in the stars It was meant to be a dutiful betrothal from the start, but it soon becomes something more. As Emily sees the real man beneath the roguish reputation, her carefully guarded heart begins to believe and hope. Dare she trust the one man who could destroy her?

[The Scent of Apple Blossoms, Vol. 1 \(Yaoi Manga\)](#) Sep 24 2020 Haruna is drunk on love, and he's desperate to convince Nakagawa that fate has brought them together. But the old brewer, enraged at the idea of selling his brewery, wants Haruna off his property by any means necessary. Are Haruna and Nakagawa destined to drink alone, or will their passion prove more intoxicating than the sake? -- VIZ Media

[The Philosophy of Horror](#) Aug 24 2020 Sitting on pins and needles, anxiously waiting to see what will happen next, horror audiences crave the fear and exhilaration generated by a terrifying story; their anticipation is palpable. But they also breathe a sigh of relief when the action is over, when they are able to close their books or leave the movie theater. Whether serious, kitschy, frightening, or ridiculous, horror not only arouses the senses but also raises profound questions about fear, safety, justice, and suffering. From literature and urban legends to film and television, horror's ability to thrill has made it an integral part of modern entertainment. Thomas Fahy and twelve other scholars reveal the underlying themes of the genre in *The Philosophy of Horror*. Examining the evolving role of horror, the contributing authors investigate works such as Mary Shelley's *Frankenstein* (1818), horror films of the 1930s, Stephen King's novels, Stanley Kubrick's adaptation of *The Shining* (1980), and Alfred Hitchcock's *Psycho* (1960). Also examined are works that have largely been ignored in philosophical circles, including Truman Capote's *In Cold Blood* (1965), Patrick Süskind's *Perfume* (1985), and James Purdy's *Narrow Rooms* (2005). The analysis also extends to contemporary forms of popular horror and "torture-horror" films of the last decade, including *Saw* (2004), *Hostel* (2005), *The Devil's Rejects* (2005), and *The Hills Have Eyes* (2006), as well as the ongoing popularity of horror on the small screen. *The Philosophy of Horror* celebrates the strange, compelling, and disturbing elements of horror, drawing on interpretive approaches such as feminist, postcolonial, Marxist, and psychoanalytic criticism. The book invites readers to consider horror's various manifestations and transformations since the late 1700s, probing its social, cultural, and political functions in today's media-hungry society.

[Jitterbug Perfume](#) Dec 08 2021 *Jitterbug Perfume* is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn't conclude until nine o'clock tonight (Paris time). It is a saga, as well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.

[Xenophon's Socratic Rhetoric](#) Jun 21 2020 In one of the most charming works to survive from classical antiquity, Xenophon's *Symposium* depicts an amiable evening of wine, entertainment, and conversation shared by Socrates, and a few of his associates, with certain Athenian gentlemen who are gathered to honor a young man for his recent victory in the Panathenaic games. Xenophon's *Socratic Rhetoric* argues that both the deeds and the speeches of Socrates in the *Symposium* contribute to a proper understanding of foundational aspects of the philosophic life.

[The Japanese Sake Bible](#) Dec 16 2019 **2021 Gourmand Cookbook Award Winner for Japan in Spirits and Other Drinks** *The Japanese Sake Bible* is the ultimate book about Japan's national drink—from its history, culture and production methods to how to choose the best sake and recommended food pairings. Author Brian Ashcraft—the author of the popular guide *Japanese Whisky*—has put together lively commentaries based on dozens of interviews with master brewers and sake experts across Japan. His fascinating stories are accompanied by over 300 full-color photographs, maps and drawings. A unique feature of this book is that it includes reviews, tasting notes, scores and a buying guide for over 100 of the leading sake brands, written by respected Japanese sake expert Takashi Eguchi. These include all the sakes most commonly found outside Japan. Each sake has a photo of the label, tasting notes, a score and recommended food pairings. Information on the leading brewers is provided, and the sakes are grouped by flavor profile. Japanese sake is brewed worldwide today and is winning over many converts. A foreword by sake connoisseur and world-renowned DJ Richie Hawtin addresses the spread in global popularity and the shared mission of making this specialty beverage as accessible as possible. With the help of this book you'll soon become an expert in selecting, serving and enjoying Japan's favorite drink.

[The Scent of Apple Blossoms, Vol. 2 \(Yaoi Manga\)](#) Jun 14 2022 Haruna is spending almost every day at Wakatake—and every night with Nakagawa. But even as he gets closer to Nakagawa's eccentric sake-brewing family, Nakagawa himself remains a mystery. Is he leading a double life under Haruna's nose? And will he be able to keep his icy cool when one of Haruna's many ex-boyfriends shows up in Japan? -- VIZ Media

[Scent of Darkness](#) Sep 05 2021 Ann Smith loves her handsome, dynamic boss, Jasha Wilder, but her daring plan to seduce him goes awry when she encounters a powerful wolf who-before her horrified eyes-changes into the man she adores. She soon discovers she can't escape her destiny, for she is the woman fated to break the curse that binds his soul.
