Lexus Nov 26 2020 A behind-the-scenes look at Lexus's

surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market.

Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and

success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

Foolishness of God Dec 28 2020 In 1964 Nola Warren was a young missionary with three small children, a wonderful marriage and a growing ministry. One day her husband, Jerry Witt, flew away in his airplane to do what he loved to do in his ministry--distribute Bibles to the most remote villages of Mexico. Jerry never came home. He was killed in an airplane crash that has never been completely explained or resolved. Even though she spoke very little Spanish at the time, Nola obeyed God and remained in Mexico to continue the work Jerry had begun. She felt very inept and could not understand why God has chosen her. But God reminded her that "the foolishness of God is wiser than man's wisdom, and the weakness of God is stronger than men's strength"(1 Cor. 1:25, NIV). About the author: Nola Warren and her second husband, Frank live in Durango, Mexico, where they are supervisors of more than twenty congregations. Together they have helped develop many ministries, and they continue to do missionary work in many parts of Mexico. Nola is also recognized as an international speaker and has authored two best-selling books in Spanish.
